1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

For the 2023-2024 school year, our intention for the funds was to retain an Arts and Music teacher to provide ongoing instruction and support for our students. We were unable to provide our students with a music class in that school year due to lack of candidate interest. However, for the 2024-2025 school year we have been able to find a music teacher for 1.5 days out of the week to provide instruction to our students. The carry over from 2023-2024 combined with the apportionment from 2024-2025 and 2025-2026 has allowed our school to employ this Music and Arts teacher and purchase supplies for our Music and Arts program in the last two school years.
