Hartland High School Leadership

The Hartland High School Student Council had their MASC/MAHS Regional Conference on January 28, 2026 where students competed in delivering a Showcase Presentation. This is what student leadership is all about! Student Showcase Presentations allow students to present the very best in programming currently being executed in their schools. Hartland presented their Valentine's Serenades. Each year, Hartland High School's Student Council and Choir partner to create a one-of-a-kind Valentine's experience unique to Hartland High School. The Student Council students represented Hartland well and look forward to attending the State Conference at the end of February.

School of Choice Now Open

This past weekend, 53 families registered for kindergarten for the 2026-27 school year. Normally we receive about 15 enrollments during orientation weekend. Please share with family, friends, work acquaintances, etc. that Hartland Schools is open for enrollment for school of choice students for the fall of 2026. It is understood that transportation to and from school is the responsibility of all school of choice parents. The district will try to provide bus transportation at the closest active in district student bus stop to the residence of school of choice students and where seats are available on the bus. This will require school of choice parents to work with transportation personnel, as district bus transportation is not automatically assigned. The phone number is 810-626-2175.
