5.0 Information from the Superintendent and Staff

President Bustos opened the Public Hearing on the Local Control Accountability Plan (LCAP) for Madera County Independent Academy (MCIA) at 3:43 p.m.

5.1 Consideration of Local Control Accountability Plan (LCAP) for Madera County Independent Academy (MCIA)

Mr. Cogan explained the LCAP is a 3-year plan. The goals and actions work to benefit students in academic growth. 39.1% of students are reading proficient and 21.7% are proficient in math. MCIA is making investments in instructional assistants by providing reading instruction training. A teacher from PTC was brought on due to overpopulation. 44 students achieved perfect attendance during 4th quarter and 163 book tokens were distributed for the book vending machine.

The public hearing closed at 3:46 p.m.

The Public Hearing on the Proposed 2025-2026 Budget for Madera County Independent Academy (MCIA) opened at 3:47 p.m.

5.2 Consideration of Proposed 2025-2026 Budget for Madera County Independent Academy (MCIA)

The proposed MCIA budget for 2025-2026 is based on the following assumptions:

- 2.30% COLA applied to LCFF components
- ADA of 58.32 and 0.06.
- Step and column adjustments at 1.5% for each of the next two years.
- PERS rate is anticipated to decrease from 27.05% to 26.81% for 2025-2026, increase to 26.90% in 2026-2027, and 27.80% in 2027-2028.
- STRS rate is anticipated to remain at 19.10% for the out years through 2027-2028.
- Estimated supply, services, and equipment budgets have been designed to meet program and operation needs and have been aligned to program goals.
- The budget reflects a net decrease to the ending fund balance of \$13,439 on the unrestricted side and a decrease of \$118,915 on the restricted side, totaling an overall decrease in ending fund balance of \$132,354.

Mrs. Verduzco added that the State budget does not look promising. There are a lot of unknowns. The government is proposing deferrals (June 2025 deferred to July 2025) and the cash normally received will not be received.

The public hearing closed at 3:51 p.m.

The Public Hearing on the Local Control Accountability Plan (LCAP) for Pioneer Technical Center (PTC) opened at 3:52 p.m.

5.3 Consideration of Local Control Accountability Plan (LCAP) for Pioneer Technical Center (PTC)

Mr. Cogan reported successes continue to grow. There were 80 graduates this year. The credit recovery indicator shows positive outcomes for students. Chronic absenteeism is dropping and students are choosing to stay at PTC. Students are being successful.

The public hearing closed at 3:55 p.m.

The Public Hearing on the Proposed 2025-2026 Budget for Pioneer Technical Center (PTC) opened at 3:56 p.m.

5.4 Consideration of Proposed 2025-2026 Budget for Pioneer Technical Center (PTC)

The assumptions for PTC's 2025-2026 budget are the same as MCIA except the following:

- ADA of 183.43 and 6.45
- The budget reflects a net decrease to the ending fund balance of \$40,636 on the unrestricted side and a decrease of \$275,035 on the restricted side totaling an overall decrease in ending fund balance of \$315,671.

The public hearing closed at 3:57 p.m.

The Public Hearing on the Local Control Accountability Plan (LCAP) for Madera County Superintendent of Schools (MCSOS) opened at 3:58 p.m.

5.5 Consideration of Local Control Accountability Plan (LCAP) for Madera County Superintendent of Schools (MCSOS)

Mr. Cogan reported Endeavor/Voyager had an enrollment of 190 students as of this morning, which is 45 more students than last year. Students are remaining in the program longer. There were three graduates this semester. A fourth teacher was added to the program. The age of students being incarcerated is trending down. This is not isolated to Madera. Kings County has reported the same trend. There has been a rise in gang related activity.

Foster and homeless students are receiving parent/student workshops. The focus for parents is on providing tools to use with foster children. The focus for students is

providing the connection to life beyond high school.

Ms. Drake added Gould classrooms aim to support students with academics. English language development is top priority. Staff are receiving professional development to help support the needs of students. New curriculum will be introduced next year. The key aspects will look more like students' typically developing peers. There will be reading libraries, which will assist students with special needs to read the same books their peers are reading. The books will be scaled to their level. Life skills will be a focus.

The public hearing closed at 4:04 p.m.

The Public Hearing on the Proposed 2025-2026 Budget for Madera County Superintendent of Schools (MCSOS) opened at 4:05 p.m.

5.6 Consideration of Proposed 2025-2026 Budget for Madera County Superintendent of Schools (MCSOS)

The assumptions for MCSOS's 2025-2026 budget are the same as MCIA except the following:

- The COLA for the two subsequent years is estimated at 3.02% and 3.42% based on the Department of Finance Estimates and School Services May Revise Dartboard.
- ADA is 30.73 for Juvenile Hall and 308.36 for Special Education.
- Early Childhood Education funding is budgeted at the same current year amounts for California State Preschool Program (CSPP), General Child Care (CCTR) and other programs. Standard Reimbursement Rates for CSPP/CCTR programs are also budgeted to remain flat.
- Additional staff development is envisioned to support students from lower income households, English Learners, and Foster Youth.
- The budget reflects a decrease to the ending Unrestricted General Fund balance of \$607,621 and a decrease of \$4,654,366 in Restricted General Fund balance. This brings the overall General Fund balance to a net decrease of \$5,261,987.
- MCSOS is budgeted to end the 2025-2026 school year with a 21.53% Unrestricted Ending Fund Balance. 19% is reserved for economic uncertainties (equates to approximately three months of salary), and 2.53% is unassigned (may be used to cover projects such as the replacement of Gould's roof and the completion of the Community Resource building). The Department of Finance cautions that the out-years may see budget reductions and a need to dip into reserves.

President Bustos asked how long after the budget is signed by the governor will schools be notified about deferrals.

Mrs. Verduzco stated the budget must be signed by June 30th. However, there is always trailer bill language that allows for changes to the budget even after it is signed.

This often occurs after July. If significant changes are made, the budgets will be brought back to the Board for review. If things are not looking good, mid-year cuts may be needed.

Mrs. Loveland asked how other districts are doing.

Dr. Massetti explained there is one district with which MCSOS is working closely.

Mr. Soares acknowledged the work that goes into maintaining conservative budgets and looking ahead to ensure stability for the staff.

Dr. Massetti stated this is important to the team so that people are not fearful.

The public hearing closed at 4:17 p.m.

4.2 Letters and Communications

4.2.1 Award of Excellence – George Washington Elementary School: Promising Practices Award

Tricia Protzman introduced Washington Elementary School Principal Beto Hernandez. Washington was recognized with a Promising Practices Award by the California Collaborative for Educational Excellence (CCEE) for its innovation, collaboration, and commitment to student success. This is a nationally ranked award and Washington was one of three schools involved in a three-year pilot. It has set the standard of excellence for Madera Unified. Washington was recognized for its work in the CCEE newsletter. Washington is on the forefront of education and the future of educational excellence is already here. Washington is a dual language immersion (DLI) school.

Mr. Hernandez introduced his team. Kindergarten students began the DLI five years ago. Those students are now going into 5th grade. Washington is the only DLI school statewide to be recognized with the Promising Practices Award. 98% of kindergarten students are moving to first grade on grade level in English and Spanish in reading and math. Students are entering middle and high school socially and culturally competent because of the foundation work being completed at Washington.

Team members commented they appreciate the work they have been able to achieve with Solution Tree. Kinder teachers are preparing for extension, not intervention. They are giving students hope and excitement in learning.

Dr. Massetti stated they are to be commended for learning alongside their students. They see that as a good example.

Mrs. Marsh commented that she, President Bustos, and Mr. Nishimoto are all alumni of Washington. She is proud of the work being done at Washington Elementary. The school is now 102 years old.

The team was presented with a framed certificate and photos were taken with the Madera County Board of Education and County Superintendent.

The Board adjourned to break at 3:50 p.m.

President Bustos called the meeting to order at 4:07 p.m.

4.3 Non-School Sources

Dr. Massetti provided a copy of the article on Washington Elementary to the Board.

Dr. Massetti shared the history of MCSOS over the last 15 years. Workforce Development Office was part of the organization and they moved to the Chicago Title building. MCIA and Student Programs moved to Gateway, next to Cynthia's Motel. Educational Services moved to the Price's building. Then most programs moved into this building. MCIA moved into the old administrative building at 28123 Avenue 14. PTC moved from next door to the old Enterprise building. Early Start moved from Gould to next door. Then the Early Education Center was built. MAA began as a regional program. It has expanded to doing region two's billing. Currently, MAA is in the middle of a pilot program. Rhonda Yohman and Dr. Massetti chaired a committee where a statewide fee structure was created for MediCal billing. Many grants were obtained (\$11 million in the mental health area alone). Buses were purchased and a staff room for Transportation was created at Gould Center. This summer the flooring

and kitchen are being redone at Gould. New roofs at Gould will also be installed. Technology upgrades have been implemented. Classroom technology has come a long way. Multifactor authentication is organization wide now. A lot has been done in early education. MCSOS moved to support universal preschool. Academic Decathlon started in 1982. Pentathlon and Mock Trial began in 1984. LIFE Games was established around 2010. The math tournament was developed in 2016. Battle of the Books started in 2022. ArtsFest began in 2014. Before that MCSOS did Friday Night Live and Club Live. MCSOS did a deaf, hard, of hearing speech contest with the Kiwanis and Lions Clubs. Many plans have been written: crisis, safety and disaster, transportation, arts, workplace violence, emergency preparedness, NIMS, incident command to name a few. The financial system has been upgraded twice. First there was Everest in 2010. Then in 2020 it was Escape. The funding model changed to LCFF. MCSOS has handled district insolvency issues. Building projects included: solar projects, CTE building, upgrading facilities. There was the impact from the Census requiring MCBE to balance trustee areas and the districts to look at their areas. Credentials, Bridges, added authorizations, 21 CSLA all supporting administrators. MCSOS has put itself on the map, hosting state meetings and it is a voting center. MCSOS earned Golden Bell Awards for Foster Youth, LIFE Games, Club Yes, Bridges to Leadership, and Pioneer Technical Center. Dr. Massetti thanked the Board for their support over the years.

2nd being a holiday is that many years ago, when Mr. Gould was Superintendent, the Board approved the 2nd to be a holiday every 7 years when the 1st lands on a Thursday.

Consideration Acceptance of Annual Facility Education Program Review and Evaluation Report

Background:

On a yearly basis, the educational programs at Endeavor/Voyager schools are reviewed and evaluated. The state requires that a qualified outside agency or individual conduct the review by an external educational partner of similar program. In June 2025, Joe Andrade, Principal, Tulare County Office of Education, conducted the Endeavor/Voyager review.

The review is guided by an educational checklist and includes the following program components: educational program, required elements, school discipline, provisions for students with special needs, educational screening and admission, educational reporting, transition and re-entry planning, and post secondary education opportunities for all students.

Financial Impact:

No impact on either program.

JUVENILE FACILITY EDUCATION PROGRAM REVIEW AND EVALUATION

Juvenile Halls and Camps

FACILITY NAME: Madera County Juvenile Detention		COUNTY: Madera	
FACILITY ADDRESS (STREET, CITY, ZIP CODE, TELEPHONE): 1655 E. Olive Ave Madera CA 93638			
CHECK THE FACILITY TYPE AS DEFINED IN TITLE 15, SECTION 1302	JUVENILE HALL (JH) X	CAMP <input type="checkbox"/>	<input type="checkbox"/>
EDUCATION PROGRAM EVALUATION		DATE EVALUATED: June 16 2025	
		DEFICIENCIES OR NON-COMPLIANCE ISSUES NOTED: YES <input type="checkbox"/> NO <input type="checkbox"/>	
EDUCATION PROGRAM EVALUATOR(S) (NAME, TITLE, TELEPHONE): Joe Andrade, Principal, Tulare County Office of Education 559-735-1542			
EDUCATION STAFF INTERVIEWED (NAME, TITLE, TELEPHONE): Hugo Sánchez, Program Director, (559) 662-6211			

Purpose

The facility administrator shall request an annual review of each required element of the program by the Superintendent of Schools, and a report or review checklist on compliance, deficiencies, and corrective action needed to achieve compliance with this section. **Such a review, when conducted, cannot be delegated to the principal or any other staff of any juvenile court school site. The Superintendent of Schools shall conduct this review in conjunction with a qualified outside agency or individual.** Upon receipt of the review, the facility administrator or designee shall review each item with the Superintendent of Schools and shall take whatever corrective action is necessary to address each deficiency and fully protect the educational interests of all youth in the facility.

Instructions

To complete the evaluation, assess each element listed and document the findings on the checklist. Columns in the checklist identify compliance as "Yes," "No," or "N/A" (not applicable). When the evaluator assessing the education program "checks" a column to indicate that a facility is either out of compliance with all or part of a regulation or indicates that all or part of a regulation is not applicable, a brief explanation is required in the comments section. This explanation is critical. It assists both the BSCC and facility staff in understanding the rationale for the decision and highlights what needs correction. **Policies and procedures must be written and implemented to be in compliance.**

Education program evaluators may elect to assess areas that are not covered by the inspection checklists. If this is done, the additional issues must be clearly delineated on a separate sheet to maintain their distinction from the BSCC Title 15 checklist. For information purposes, this additional sheet should be attached and distributed with the checklist.

Checklists and regulations are available on the BSCC website (http://www.bscc.ca.gov/s_fsoresources). Please contact the BSCC Field Representative assigned to your county at the number below or through e-mail access on the web site.

Agenda Item 8.5

Board of Education Action Item July 8, 2025

Topic:

Consideration of Investment Performance Statement

Background:

Section 53646 of the Government Code requires the chief fiscal officer of each local agency to provide to the governing board a report of investments, on a quarterly basis. However, if all of an agency's funds are placed in the county treasury, Local Agency Investment Fund (LAIF) or an FDIC-insured bank account, the most recent statement received from these institutions will suffice. If an agency has any other investments, additional reporting is required.

Following its 2025 Investment Policy, all Madera County Superintendent of Schools funds are deposited in the Madera County Treasury, including the proceeds of the tax revenue anticipation notes (TRAN) program, when MCSOS participates. Therefore, we have attached a copy of the latest monthly investment report from the Madera County Co-Mingled Investment Pool which includes its most recent list of investments.

The County Treasurer-Tax Collector's investments continue to provide as favorable a rate of return as can be expected in the current financial market. The current rate of return is 3.30% and is higher compared to last year's rate of return of 3.22% for the same time period by 0.08%.

Financial Impact:

Approximately \$20,000 per year.

Resource:

Marisol Verduzco
Chief Officer
Business and Administrative Services

Recommendation:

It is recommended the Board approve the quarterly rate of return of investments with the county government as presented.

MEMORANDUM

Date: June 16, 2025
To: Madera County Commingled Investment Pool Participants
From: Tracy Kennedy, Treasurer-Tax Collector
Subject: Investment Portfolio Summary – May 2025

REQUIREMENT

This report reflects the investment activity for the month ending May 31, 2025. It discloses pooled funds on deposit by type of investment, name of issuer, date of maturity, par value, and subtotal amounts invested for each sector held by the County Treasurer, including the market value provided by the custodial bank, Principal Custody Solutions.

In compliance with the Treasurer's Investment Policy dated January 1, 2025, and Government Code 53646 (b), the County Treasurer is, at a minimum, required to submit a quarterly investment report within 45 days following the end of each quarter. The Treasurer, however, elected to exceed the minimum requirement by increasing its frequency to a monthly report and disseminating it to all pool participants.

DISCUSSION

While the County Treasurer considers all economic conditions under advisement, the principal objective is to ensure adequate liquidity for every depositor and fulfill their expenditure obligations.

The portfolio is managed by the County Treasurer with the assistance of Meeder Public Funds. The objectives are *Safety, Liquidity, and Yield*, as the Investment Policy outlines. The Madera County Treasurer's Investment Policy is certified by the California Municipal Treasurer's Association (CMTA) and achieved a certified maximum score of 96%.

The *safety objective* is maintained by purchasing low-risk and high-quality investments based on the allowable investment instruments per Govt Code 53601.

The two largest sectors by percentage are Federal Agency investments, which the US Federal Government backs and makes up 28.3% of the portfolio. U.S. Treasuries deemed the safest investment instruments, are 36.6%. The remaining 35.1% are comprised of various investment types ensuring portfolio diversification. They include money market funds, JPA, commercial paper, supranational, corporate medium-term notes, municipal bonds, and a Bank of America interest account.

In order of importance, the third objective is *the yield or earning a* market rate of return following current fiscal and economic conditions while considering the County's constraints for investment risk and the portfolio's cash flow characteristics.

Board of Education Action Item July 8, 2025

Topic:

Consideration California School Boards Association (CSBA) Membership Dues for FY 2025-2026

Background:

Annual Membership Dues

Financial Impact:

CSBA Membership Dues	\$ 7,798.00
County Board Member Services (CBMS) Membership Dues	\$ 0.00
Education Legal Alliance Membership (ELA) Dues	<u>\$ 1,755.00</u>
Total	\$ 9,553.00

CSBA dues increased from last year by \$359.00.

Effective in 2025-2026, CBMS dues have been eliminated and will no longer be billed. The CSBA membership dues provide the Board with full access to all CSBA membership benefits, events, and resources. For historical context, in 2024-2025, the CSBA membership dues renewal invoice contained an optional membership in CBMS, which supported the development of resources specific to county boards of education. CBMS is now fully incorporated into the CSBA membership services. Resources for county boards may be accessed at: csba.org/countyboardmemberservices.

The ELA membership fee decreased from last year by \$105.00.

Overall, membership fees decreased by \$1,109.00.
