 - a. Slide 72:
 - i. Motion to edit the teacher 'ask' to a teacher 'say' that says "At risk sexual behaviors include oral, vaginal or anal sex and skin-to-skin sexual contact. Another high risk behavior for STD is IV drug use." Seconded.
 1. Viewpoint: to have students answer out loud is past the scope of the TEKS
 2. Viewpoint: for students to understand abstinence means they need to recall the at-risk behaviors.
 3. Viewpoint: changing to teacher say and adding statement to write the at-risk behaviors in the note taking guide will fit scaffolding goals better than a teacher ask.
 - ii. Vote on menti.com, 4 yay, 3 nay, 1 abstain. Motion carries.
 - iii. Motion to edit note taking guide to match the above edit by replacing 'at-risk sexual behavior' with 3 blanks and including the 4 at-risk sexual behaviors at the end of the sentence. Seconded.
 1. Viewpoint: this puts the emphasis on the overall at-risk behaviors so students don't write the behaviors.
 - iv. Vote on menti.com, 2 yay, 4 nay, 2 abstain. Motion fails to carry.
 - v. Motion to edit note-taking guide to change 'at-risk sexual behavior' with 3 blanks and instructions for students to fill in the 4 at-risk behaviors. Seconded.
 1. Viewpoint: this puts the emphasis on the overall at-risk behaviors but students do have opportunity to write behaviors
