Thank you for helping make this year's Spring Fling a huge success for our McKee Bears!

Penny Wars

PENNY WARS ARE COMING!

Get ready for some friendly competition between grade levels — and help raise money for our school at the same time!

April 1 - 10

How It Works

1. Donation Stations

Each grade will have its own clearly labeled container on campus. Students can drop in money any day (or every day) during the week.

2. The Point System

Pennies = +1 point each

Add points to your own grade's total.

TAKE AWAY POINTS FROM OTHER GRADES BY DONATING SILVER COINS, PAPER MONEY AND ONLINE DONATIONS TO THEIR BUCKETS.

Silver Coins = Negative Points

Use these to lower other grades' totals.

Nickel = -5 points

Dime = -10 points

Quarter = -25 points

Paper Money = Double Points

Example: \$5 bill = 1,000 points

Online Donations = Triple Points

Example: \$10 = 3,000 points

Important Information

All cash and online donations must be clearly labeled with the student's grade level to ensure points are counted correctly. If a family has multiple students, donations can be split between grades as desired.

Let the Penny Wars begin — may the best grade win!
