The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous

cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by Willows Intermediate School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

▶ Schoolwide Program

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement. Some modifications have been made to inform the SPSA development process.

Plan Description

Briefly describe your school's plan for effectively meeting ESSA's planning requirements in alignment with the Local Control and Accountability Plan (LCAP) and other federal, state, and local programs.

This plan is being used by Willows Intermediate School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

Based on local and state data, Willows Intermediate School will meet Every Student Succeeds Act (ESSA) requirements in alignment with the LCAP by:

Goal 1: Improve student performance by 7% in ELA and Math on The California Assessment of Student Performance and Progress (CAASPP) assessments and ensure that ALL students, including at-risk students, English Learners, homeless and foster youth, and students with disabilities, meet or exceed standards.

Goal 2: Continue improving our safe school climate by implementing strategies consistently and collaboratively, to create a positive and safe school climate that supports the well-being and success of ALL students. Each step contributes to building a culture of respect, empathy and inclusivity within the school community.

Goal 3: Creating a partnership with the community by developing greater cultural awareness, tolerance, and understanding.

Goal 4: Improve student attendance by decreasing chronic absenteeism.

Much of what we include in this plan is derived from the School Accountability Report Card (SARC). Willows Intermediate School will continue to use state and local assessments to modify instruction and improve student achievement by providing opportunities for teacher collaboration for analyzing and interpreting assessment data as indicated in the LCAP. Willows Intermediate will provide Professional Development for staff/ teachers; maintain facilities that are safe and in good repair; increase student and parental involvement; and promote excellent student attendance. In addition, Willows Intermediate will provide an instructional aide for ELs, intervention after-school, and counseling services for students.

Educational Partner Involvement

How, when, and with whom did Willows Intermediate School consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The School Plan for Student Achievement is annually reviewed by the following subgroup:

- School Site Council (SSC)- meetings are held quarterly to discuss issues related to improving student learning and performance. These meetings provided the council an opportunity to become knowledgeable about state requirements and provide WIS direction for the following school year. The SSC builds upon their knowledge of the School Accountability Report Card to help provide input for the SPSA.
- English Language Advisory Committee (ELAC)- and District English Language Advisory Committee (DELAC) Meetings are held once per quarter to discuss topics related to improving student learning, academic achievement and performance.

We will include data received from other surveys throughout the year. These may include, but are not limited to, Community Engagement Initiative surveys, California Healthy Kids Survey data, and other informal surveys.

- Local Control Accountability Plan (LCAP) Meetings are held throughout the year to review the district's strategic goals, LCAP metrics and data, and gather input from all Educational Partners.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

This section is required for all schools eligible for ATSI and CSI.

Through discussion with the School Site Council, we have determined a need for more extensive Social-Emotional training and education for all educational partners. This area of emphasis will be addressed with the upcoming Multi-Tiered Systems of Support as well as a priority of the WUSD to provide and support professional development opportunities for staff in our district. Willows Intermediate School is part of the Community Schools Grant that includes our committee within the Community Engagement Initiative. This committee consists of school personnel, district personnel, parents and other community members. Through the Community Schools Grant, we will have a Student Wellness Coach that will work with other staff on the social-emotional well-being of our students. Other areas included within the scope of this plan include improved school culture and a decrease on chronic absenteeism.

English Learner group scores 118.2 points below standard in math - an increase of 12.4 points (orange) and 86.4 points below standard - an increase of 7.3 points (orange) in English Language Arts. The Students With Disabilities group has a rate of 21.4% chronic absenteeism rate (orange) and score 177.4 points below standard in math - maintaining -1.3 (red) and 142.6 points below standard in English Language Arts - an increase of 14.7 points (orange).

Socioeconomically Disadvantaged Students score 90.3 points below standard in math - an increase of 6.4 (yellow) and 64 points below standard in English Language Arts. Our Long-Term English Learner (LTEL) group scores 119.7 points below standard in English Language Arts - an increase of 6 points (yellow). Our Hispanic and white groups score 75.7 points below standard (red) and 26.5 points below standard (yellow), respectively in English Language Arts.

Based on the above data, we need to investigate and learn WHY the chronic absentee rates are so high for these two student groups. We need to continue our work on improving intervention classes and supports to improve on the achievement for ALL student groups. We will continue to work with the district to evaluate budgets to be able to provide for academic support and intervention.

Comprehensive Needs Assessment Components

Identify and describe any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

California School Dashboard (Dashboard) Indicators

Referring to the California School Dashboard (Dashboard), any state indicator for which overall performance was in the "Red" or "Orange" performance category.

English Language Arts:

English Learners, Long-Term English Learners and Students with Disabilities performed in "orange."

Hispanic student group performed in the "red."

White student groups performed in the "yellow."

Math:

Hispanics, Long-Term English Learners, and Students with Disabilities performed in the "red".

English Learners performed in the "orange."

Socioeconomically Disadvantaged performed in "yellow."

English Learner Progress:

The Long-Term English Learner group performed in the "yellow" with 73.8% of the students making progress toward English proficiency.

Chronic Absenteeism:

Students with Disabilities performed in the "orange."

Suspension Rate:

Students with Disabilities and White groups performed in the "orange."

Socioeconomically Disadvantaged performed in the "yellow."

Referring to the California School Dashboard (Dashboard), any state indicator for which performance for any student group was two or more performance levels below the “all student” performance.

Other Needs

In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

Science:

As a school we increased 5.2 points.

English Language Arts Growth:

Long-Term English Learners 119.7 (below the standard), Asian (56.9 points below the standard), Hispanic (75.7 points below the standard), White (26.5 points below the standard) and Students with Disabilities 142 points below the standard), are below typical growth. "All Students" are classified as 55.6 points below the standard.

School and Student Performance Data

Student Enrollment

This report displays the annual K-12 public school enrollment by student ethnicity and grade level for Willows Intermediate School. Annual enrollment consists of the number of students enrolled on Census Day (the first Wednesday in October). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	22-23	23-24	24-25	22-23	23-24	24-25
American Indian	2.37%	2.85%	2.37%	7	9	11

Grade 7	101	108	116
Grade 8	92	103	109
Total Enrollment	295	316	464

Conclusions based on this data:

1. Enrollment at Willows Intermediate School (WIS) has remained fairly consistent.
2. The enrollment at WIS is generally 450 students. We have over 100 students per grade level.
3. During the 23-24 school year our Hispanic population was 162. It increased by almost 100 students in 24-25 due to 5th grade coming over to WIS.

School and Student Performance Data

English Learner (EL) Enrollment

This report displays the annual K-12 public school enrollment by English Language Acquisition Status (ELAS). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	22-23	23-24	24-25	22-23	23-24	24-25
English Learners	56	70	102	19.0%	22.2%	22.0%
Fluent English Proficient (FEP)	78	51	78	26.4%	16.1%	16.8%
Reclassified Fluent English Proficient (RFEP)	75	49	61	25.4%	15.5%	13.1%

Conclusions based on this data:

1. EL numbers have continued to increase over the past three years.
2. While the percentage of EL students have remained more consistent, the percentage of FEP has fluctuated.
3. The reclassification numbers have gone down since the 22-23 school year.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

The Smarter Balanced Summative Assessments for ELA and mathematics are an annual measure of what students know and can do using the Common Core State Standards for English language arts/literacy and mathematics.

The purpose of the Smarter Balanced Summative Assessments is to assess student knowledge and skills for English language arts/literacy (ELA) and mathematics, as well as how much students have improved since the previous year. These measures help identify and address gaps in knowledge or skills early so students get the support they need for success in higher grades and for college and career readiness.

All students in grades three through eight and grade eleven take the Smarter Balanced Summative Assessments unless a student's active individualized education program (IEP) designates the California Alternate Assessments.

Visit the California Department of Education's [Smarter Balanced Assessment System](#) web page for more information.

2. Approximately 28% of the students Exceeded or Met the standard in 2024-25.

3. Students at WIS score highest in the "Research/Inquiry" domain, while they score lowest in the "Writing" domain.

Conclusions based on this data:

1. Overall, there is a slight increase in the overall scores for student achievement in mathematics.
2. The 23-24 school year saw the largest decrease in percentage of students scoring below standard.
3. Based on the 24-25 data 50% of our students are at/near/above standard in the "Concepts & Procedures" strand of the mathematics test.

School and Student Performance Data

The English Language Proficiency Assessments for California (ELPAC) system is used to determine and monitor the progress of the English language proficiency for students whose primary language is not English. The ELPAC is aligned with the 2012 California English Language Development Standards and assesses four domains: listening, speaking, reading, and writing.

Visit the California Department of Education's [English Language Proficiency Assessments for California \(ELPAC\)](http://English Language Proficiency Assessments for California (ELPAC) web page) web page or the ELPAC.org website for more information about the ELPAC.

Student Population

The 2025 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

2024-25 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth

Total Number of Students enrolled in Willows Intermediate School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2024-25 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	102	22%
Foster Youth	2	0.4%
Homeless	2	0.4%
Socioeconomically Disadvantaged	348	75%
Students with Disabilities	61	13.1%

American Indian	11	2.4%
Asian	17	3.7%
Filipino	1	0.2%
Hispanic	233	50.2%
Two or More Races	14	3%
Pacific Islander	1	0.2%
White	181	39%

Conclusions based on this data:

1. The majority of students (75%) at WIS are considered socioeconomically disadvantaged.

2. Our largest ethnic population of students is 50.2% Hispanic, followed by 39% White.

3. Our EL population comprises 22% of our student body.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words "No Performance Color."

2025 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts  Yellow	Chronic Absenteeism  Yellow	Suspension Rate  Green
Mathematics  Orange		
English Learner Progress  Green		

Conclusions based on this data:

1. Suspension rate scoring in the "green" is a decrease from the previous year.
2. Based on this data, WIS is scoring in the "yellow" in English Language Arts. In Mathematics, WIS is scoring in the "orange" which is a slight decrease.
3. While Chronic Absenteeism has improved, this is still an area of concern.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2025 Fall Dashboard English Learner Progress Indicator	
English Learner Progress  Green 64.9 making progress. Number Students: 97 Students	Long-Term English Learner Progress  Blue 73.8 making progress. Number Students: 42 Students

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e., levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2025 Fall Dashboard Student English Language Acquisition Results			
Decreased One ELPI Level 5.2%	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H 29.9%	Maintained ELPI Level 4 0%	Progressed At Least One ELPI Level 64.9%

Conclusions based on this data:

- 94.8% of our students either maintained or progressed at least one level in 2024-25.
- 64.9% of our EL students are making progress toward becoming English Language proficient.
- Overall, WIS English Learner (64.9) and Long-Term English Learner (73.8) students are making progress.

Conclusions based on this data:

1. Overall, chronic absenteeism is declining at WIS with a 4.3% improvement from the previous year.
2. Roughly 13% of students at WIS are considered chronically absent.
3. While improving, Students with Disabilities are still scoring in the "orange". (21.4% considered chronically absent).

2. English Language Learners and Students with Disabilities subgroups saw the largest increase in this area (3.6% and 61.3%)
3. The three subgroups scoring in the "orange" are the English Learners, Long-Term English Learners and Students with Disabilities.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal 1

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

Student Performance

Goal 1: Improve student performance by 7% in ELA and Math on The California Assessment of Student Performance and Progress (CAASPP) assessments and ensure that ALL students, including at-promise students, English Learners, homeless and foster youth, and students with disabilities, meet or exceed standards.

LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

LCAP Goal 1 and 2: (Meets State Priority 4, 8)

Pupil Outcomes: Willows Unified School District will establish a high performing district culture with quality teaching and learning, and ALL students will have access to grade level classes.

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

28.07% of students at WIS met or exceed the standards in ELA. 19.3% of students met or exceed standards in math. Our English Learner group of students scores significant lower than the rest of the school in ELA (86.4 points below standard) and math (118.2 points below standard). The Students With Disabilities group also scores below the rest of the school in ELA (142.6 points below standard) and math (177.4 points below standard). Additionally, students at WIS scored in the "green," in science, as measured on the CAST exam.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CA School Dashboard	State data for ELA is 28% of students met or exceed standards. Whereas in Math- 19% of students in the state met or exceeded standards. (2024-25).	ELA- increase scores by at least 10% of students meeting or exceeding standards. EL Students and Students With Disabilities will score closer to standard. Math- increase scores by at least 10% of students meeting or exceeding standards. EL Students and Students With Disabilities will score closer to standard.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

During the 2025-2026 school year, WIS did not have an intervention teacher in place as it did in the previous school year (24-25). Intervention classes afterschool (Power Hour) were available and targeted specific skills in language arts and math. School Counselor is developing lessons and activities to monitor student academic progress.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Overall students performed better on the CAASPP in ELA, math and science. However, there are still a few areas where we declined. Our English Learners and Students with disabilities are still significantly below meeting the standard. Increasing more push in time to the students general education classes is expected to continue in the following school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The future goal is putting a greater emphasis on a tiered one intervention in the classroom and teacher collaboration during PLC time. For next school year, 5th and 6th grade have built in intervention time during the school day. This intervention time will provide more clear and consistent support all students. Our master schedule will be reorganized to better serve our English Learners and students with disabilities. Students will be placed in an age and level appropriate

section within the ELD Classroom. We are continuing with our EL aides that will work directly with the teacher in the classroom.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal 2

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

School Safety

We will strengthen our safe school climate by consistently implementing collaborative strategies, as evidenced by a reduction in behavior incidents, increased positive student recognition (WIS Best, Cardinal Cards, etc.), and improved student climate survey results. We will foster a culture of respect, empathy, and inclusivity while increasing our focus on social-emotional well-being through SEL lessons and targeted student support.

LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

LCAP Goal 3: (Meets State Priority 3, 5, 6)

The schools and district will develop and maintain a systematic method for partnering with students, parents, county resources, and community members to increase engagement.

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

WIS had about 4.5% of their students suspended at least once during the 2024-25 school year, which is an improvement (0.4%) from the previous year. According to the "Generally Positive School Experience," section on the LCAP Student Survey (25-26), most students reported positive perceptions of their school environment. The majority of responses selected, "Agree," to statements related to motivation, safety and academic expectations. According to the "Access to support," section, students reported that they generally have access to support systems at school. While suspension rates continue to decline, we need to focus on our level of engaging students at school in all areas to help foster a caring Social/Emotional Learning Environment. We still have students struggling with social-emotional needs.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Overall, we are continuing work in this area. We have shown improvements in our school culture, but need to continue to improve. The support of Northern Valley Indian Health and our Wellness Coach in the second half of the year has been a great addition to our campus.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Our video surveillance system has been working this year which has proven to be very helpful with addressing incidents on campus.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The goal is to increase our positive student recognition which in return will improve school climate. Establishing a staff school climate committee may assist in supporting this initiative. Through staff and student surveys the goal is to gain feedback to increase staff and student morale.

LCAP Goal 3: (Meets State Priority 3, 5, 6)

Engagement: Willows Unified School District will foster a climate of student engagement, involvement, and connectedness that will be demonstrated in strong attendance; low suspension and expulsion rates; a culture that promotes student and employee safety, as well as opportunities for meaningful student, parent, community involvement and input.

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Due to our school diversity, and the lack of parental representatives from each subgroup, we recognize that we need to do a better job to recruit more parents and community members to be involved with our school. Encouraging diverse families to join School Site Council and attending DELAC/ELAC Family Voices Meeting has been a focus this year for our families. Fortunately, chronic absenteeism is declining in our school.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Attendance records for Parent meetings, forums, etc.,	Site administration and staff continue to actively recruit parents to increase involvement in our school community.	Increase parental involvement in all activities within our school community.

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

While our Parent Engagement Team, boosters, PTO, site council, ELAC/DELAC and LCAP work hard to recruit parents to be involved, we are having limited success with that. Regardless, we continue to develop strategies on campus to try and increase our community partnership.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The major difference is the amount of effort and the limited success of increasing community involvement.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The biggest change with this goal will be the implementation of the Community School Pillars. Moving to the 2026-27 school year, we hope to continue to expand our resources on campus for students and families with a full time Wellness Counselor. We feel this will help address our areas of need (SEL, Mentorship, positive incentives, etc.).

Goal 4

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

Chronic Absenteeism

Improve overall attendance and reduce chronic absenteeism through a comprehensive approach involving multiple stakeholders. Collaboratively reach our goal of at least 95% attendance and/or less than 10% chronic absentee students.

LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

Goal 1, 2, 3: (Meets State Priority1, 3, 4, 5, 6)
Conditions of Learning, Pupil Outcomes and Engagement.

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Our need is to decrease the rate of chronic absenteeism. Students with Disabilities has 21.4% of students considered chronically absent. While all subgroups have shown a decline in chronic absenteeism, this continues to be a high priority for our school and district.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CALPADS data report CAASPP Dashboard Data	13.2% of our students are considered chronically absent. Five groups are in the "Yellow" (English Learner, Long-Term English Learner, Socioeconomically Disadvantaged, White and Hispanic). While Students with Disabilities are in "Orange".	10% or less of students will be classified as chronically absent. ALL subgroups will be Yellow, Green or Blue.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

We are nearing our overall goal. However, we still have to work to do. But, the two main subgroups identified (English Learners and Students with Disabilities) have decreased their chronic absenteeism rate. Improving in this area will remain a focus.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We are working to expand and be more consistent in our recognition of positive attendance (recognizing perfect attendance for the month in the WIS Newsletter).

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will increase and schedule our recognitions before school starts and we will be more consistent in analyzing the data. Furthermore, we will educate our students on their attendance rates and how it relates to their achievement.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal 5

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Durell Siplin	Principal
Mariana Gonzalez	Other School Staff
Jenn Porter	Classroom Teacher
Patty Lev	Classroom Teacher
Pam Steward	Classroom Teacher
Allie Lopez	Classroom Teacher
Veronica Corriea	Parent or Community Member
Cristina Duenas	Parent or Community Member
Amanda Holley	Parent or Community Member
Natosha Jackson	Parent or Community Member
Emma Sapigao	Parent or Community Member
Noe Rodriguez	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on April 30, 2026.

Attested:

Principal, Durell Siplin on April 30, 2026

SSC Chairperson, Emma Sapigao on April 30, 2026

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp) pursuant to California *Education Code (EC)* Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with *EC* 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below.

For additional questions or technical assistance related to LEA and school planning, please contact the CDE's Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the LEA, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Plan Description

Briefly describe the school's plan to effectively meet the ESSA requirements in alignment with the LCAP and other federal, state, and local programs.

Additional CSI Planning Requirements:

Schools eligible for CSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal CSI planning requirements.

Additional ATSI Planning Requirements:

Schools eligible for ATSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal ATSI planning requirements.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Within California, these stakeholders are referred to as educational partners. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Educational Partner Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Additional CSI Planning Requirements:

When completing this section for CSI, the LEA must partner with the school and its educational partners in the development and implementation of this plan.

Additional ATSI Planning Requirements:

This section meets the requirements for ATSI.

Resource Inequities

This section is required for all schools eligible for ATSI and CSI.

Additional CSI Planning Requirements:

- Schools eligible for CSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the CSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Additional ATSI Planning Requirements:

- Schools eligible for ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the ATSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Comprehensive Needs Assessment

Referring to the California School Dashboard (Dashboard), identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

SWP Planning Requirements:

When completing this section for SWP, the school shall describe the steps it is planning to take to address these areas of low performance and performance gaps to improve student outcomes.

Completing this section fully addresses all SWP relevant federal planning requirements.

CSI Planning Requirements:

When completing this section for CSI, the LEA shall describe the steps the LEA will take to address the areas of low performance, low graduation rate, and/or performance gaps for the school to improve student outcomes.

Completing this section fully addresses all relevant federal planning requirements for CSI.

ATSI Planning Requirements:

Completing this section fully addresses all relevant federal planning requirements for ATSI.

Goals, Strategies/Activities, and Expenditures

In this section, a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Additional CSI Planning Requirements:

When completing this section to meet federal planning requirements for CSI, improvement goals must also align with the goals, actions, and services in the LEA’s LCAP.

Additional ATSI Planning Requirements:

When completing this section to meet federal planning requirements for ATSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

Goal

Well-developed goals will clearly communicate to educational partners what the school plans to accomplish, what the school plans to do in order to accomplish the goal, and how the school will know when it has accomplished the goal. A goal should be specific enough to be measurable in either quantitative or qualitative terms. Schools should assess the performance of their student groups when developing goals and the related strategies/activities to achieve such goals. SPSA goals should align to the goals and actions in the LEA's LCAP.

A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach.

A S.M.A.R.T. goal is:

- **Specific,**
- **Measurable,**
- **Achievable,**
- **Realistic, and**
- **Time-bound.**

A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal #" for ease of reference.

Additional CSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the Dashboard and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

Additional CSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the

baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

Additional CSI Planning Requirements:

When completing this section for CSI, the school must include school-level metrics related to the metrics that led to the school's eligibility for CSI.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Strategies/Activities Table

Describe the strategies and activities being provided to meet the goal.

Complete the table as follows:

- **Strategy/Activity #:** Number the strategy/activity using the "Strategy/Activity #" for ease of reference.
- **Description:** Describe the strategy/activity.
- **Students to be Served:** Identify in the Strategy/Activity Table either All Students or one or more specific student groups that will benefit from the strategies and activities. ESSA Section 1111(c)(2) requires the schoolwide plan to identify either "All Students" or one or more specific student groups, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners.
- **Proposed Expenditures:** List the amount(s) for the proposed expenditures. Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to *EC* Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.
- **Funding Sources:** List the funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Planned strategies/activities address the findings of the comprehensive needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

Additional CSI Planning Requirements:

- When completing this section for CSI, this plan must include evidence-based interventions and align to the goals, actions, and services in the LEA's LCAP.
- When completing this section for CSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.

Note: Federal school improvement funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.

Additional ATSI Planning Requirements:

- When completing this section for ATSI, this plan must include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

- When completing this section for ATSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.
- When completing this section for ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the ATSI designation.

Note: Federal school improvement funds for CSI shall not be used in schools identified for ATSI. Schools eligible for ATSI do not receive funding but are required to include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

Annual Review

In the following Goal Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Goal Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal.

- Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between the intended implementation and/or material difference between the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Note: *If the school is in the first year of implementing the goal, the Annual Review section is not required and this section may be left blank and completed at the end of the year after the plan has been executed.*

Additional CSI Planning Requirements:

- When completing this section for CSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal CSI planning requirements.
- CSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI planning requirements.

Additional ATSI Planning Requirements:

- When completing this section for ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal ATSI planning requirements.
- ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for ATSI planning requirements.

Budget Summary

In this section, a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp.

Note: *If the school is not operating a Title I schoolwide program, this section is not applicable and may be deleted.*

Additional CSI Planning Requirements:

- From its total allocation for CSI, the LEA may distribute funds across its schools that are eligible for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Note: *CSI funds may not be expended at or on behalf of schools not eligible for CSI.*

Additional ATSI Planning Requirements:

Note: *Federal funds for CSI shall not be used in schools eligible for ATSI.*

Budget Summary Table

A school receiving funds allocated through the ConApp should complete the Budget Summary Table as follows:

- **Total Funds Provided to the School Through the ConApp:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving funds from its LEA for CSI should complete the Budget Summary Table as follows:

- **Total Federal Funds Provided to the School from the LEA for CSI:** This amount is the total amount of funding provided to the school from the LEA for the purpose of developing and implementing the CSI plan for the school year set forth in the CSI LEA Application for which funds were received.

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the Schoolsite Council (SSC). The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need).
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to:
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved.
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards.
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.
 - B. Evidence-based strategies, actions, or services (described in Strategies and Activities)

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will:
 - a. Provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. Use methods and instructional strategies that:
 - i. Strengthen the academic program in the school,
 - ii. Increase the amount and quality of learning time, and
 - iii. Provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. Strategies to improve students' skills outside the academic subject areas;
 - ii. Preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. Implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. Professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. Strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the LEA (may include funds allocated via the ConApp, federal funds, and any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
 1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to:
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.

For questions or technical assistance related to meeting federal school improvement planning requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with educational partners (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*);
2. Include evidence-based interventions (*Sections: Strategies/Activities, Annual Review and Update, as applicable*) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/fund/grant/about/discretionary/2023-non-regulatory-guidance-evidence.pdf>);

Non-Regulatory Guidance: Using Evidence to Strengthen Education Investments

3. Be based on a school-level needs assessment (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable*).

Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC Section 64001[a]* as amended by Assembly Bill 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the LCAP and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC Section 52062[a]* as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
