Fall Sports Come to an End

With the Volleyball team, Tennis team, Swim team, and Flag Football team ending their seasons, it seems as if our fall sports are finally coming to the end. We only have two sports left competing, but this opens up opportunity for our Winter sports! Soccer, Wrestling, and Basketball have all started their meetings, open gyms, conditioning, and tryouts! We are all excited to see what our winter sports can bring this year, with our Soccer boys being defending Section Champs and our Basketball boys being two time section finalists!
