## Message from Dr. Kosch –EPIC Principal

Dear EPIC Community,

What a great 2025-2026 it has been for EPIC so far! EPIC is thriving thanks to our wonderful students, staff and families and enrollment is flourishing! Please see below for information regarding Open Enrollment for students NEW to EPIC for 2026-2027, which includes new Transitional Kindergarten and Kindergarten students. It is very important that new students apply to EPIC before March 6, 2026. We encourage families to apply as soon as possible.

We are approaching the end of the 2<sup>nd</sup> Trimester at EPIC. **Report cards will go home on February 25**, so time is running out to improve grades and citizenship for the report card. If you have questions or concerns about student grades, please contact your student's teacher(s). Contact information can be found at [www.epicib.org](http://www.epicib.org)

Applications can be found on our website at [www.epicib.org](http://www.epicib.org). Enrollment preference is given according to specifications in our charter document and lotteries will be held after March 6 if applications exceed available space.
