ATTORNEY

The Board of Trustees recognizes the complex legal environment in which districts operate, the need to provide legal representation for the district, and the importance of reliable, cost-effective, high-quality legal advice and services.

In order to meet the district's legal needs, the Board may appoint legal counsel and fix and order paid legal counsel's compensation as an employee or as an independent contractor. (Education Code 35041.5)

The Board may enter into independent contractor services agreements with county counsel, law firms, attorneys in private practice, and other public or private legal services entities. (Education Code 35204, 35205; Government Code 26520, 26529)

The Board also supports pursuing collaborative legal efforts with other districts as well as other government agencies as appropriate.

(cf. 3320 - Claims and Actions Against the District)

(cf. 3400 - Management of District Assets/Accounts)

(cf. 4312.1 - Contracts)

(cf. 9000 - Role of the Board)

(cf. 9260 - Legal Protection)

Duties of Legal Counsel

The district's legal counsel may: (Education Code 35041.5)

1. Render legal advice to the Board and the Superintendent or designee
2. Serve the Board and the Superintendent or designee in the preparation and conduct of district litigation and administrative proceedings
3. Render advice on school bond and tax increase measures and prepare the necessary forms for the voting of these measures
4. Perform other administrative duties as assigned by the Board and Superintendent or designee

Retaining Legal Counsel

When the district is seeking legal advice or representation, the Superintendent or designee shall identify prospective attorney(s), firm(s), and/or legal services entity(ies).

The district may, but is not required to, initiate a Request for Proposals to advertise and solicit proposals for legal services. In evaluating the prospective attorney(s), firm(s), and/or entity(ies), the Board and Superintendent may consider the attorney's, firm's, and/or entity's background, experience, and relevant legal reputation; experience advising and representing

school districts in California; fees; and experience of attorneys at the firm who will provide legal services.

Any attorney representing the district shall be admitted to practice law in California. (Education Code 35041.5)

The Board and Superintendent shall periodically evaluate the performance of the firm(s) and/or attorney(s); the efficiency and adequacy of advice; the results obtained for the district; the reasonableness of fees; and the responsiveness to and interactions with the Board, administration, and community.

The Board may use such evaluation(s) to determine whether to renew any current agreement(s) for legal services.

The Board may also contract for specialized legal services, as appropriate, when a majority of the Board determines that the unique demands of a particular issue or emergency situation requires such representation.

(cf. 2121 - Superintendent's Contract)

Contacting Legal Counsel

The Board president, or Superintendent or designee, may, at their discretion, confer with district legal counsel subject to any limits or parameters established by the Board. In addition, the Board president, or Superintendent or designee, may contact district legal counsel to provide the Board with legal information or advice when so directed by a majority of the Board.

Individual Board members other than the Board president may not seek advice from district legal counsel on matters of district business unless so authorized by the Superintendent, the Board president, or a majority of the Board.

BOARD COMMITTEES

The Governing Board may establish a committee whenever it determines that such a committee would benefit the district by providing diverse viewpoints, specialized knowledge or expertise, or increased efficiency. Such committees may be subcommittees of the Board or committees that include members of the community, staff, or other stakeholder groups.

(cf. 1220 - Citizen Advisory Committees)

(cf. 2230 - Representative and Deliberative Groups)

(cf. 9140 - Board Representatives)

Upon establishing a committee, the Board shall clearly define the committee's purpose, any timeline for completion of assigned responsibilities, any stakeholder groups or individuals to be represented on the committee, length of time that committee members are expected to serve, and expectations for reporting to the Board and/or the Superintendent or designee. Unless specifically authorized by the Board to act on its behalf, the committee shall act in an advisory capacity.

Except for subcommittees of the Board, committee members shall, as appropriate, be recommended by the Superintendent or designee and appointed by the Board president, subject to Board approval.

(cf. 9121 - President)

The Superintendent or designee shall provide committee members with information and assistance necessary for the fulfillment of the committee's charges, and may serve as a non-voting advisor to the committee at the discretion of the Board.

Whenever so charged, committees may actively seek input and participation by parents/guardians, staff, community, and students and may consult with local public boards and agencies.

Any committee not required by law may be dissolved when its duties or term has been completed or whenever the Board deems necessary.

Committee Meetings

Unless otherwise exempted by law, Board-created committees shall provide public notice of their meetings and conduct meetings in accordance with Government Code 54950-54963 (the Brown Act).

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

BOARD COMMITTEES (continued)

However, Board subcommittees composed solely of less than a quorum of the members of the Board are not subject to open meeting laws unless they are standing committees. Standing committees of the Board, irrespective of membership, are those that have a continuing subject matter jurisdiction or a meeting schedule established by action of the Board. (Government Code 54952)

Standing committees with a continuing subject matter jurisdiction include, but are not limited to, those responsible for providing advice on budgets, audits, Board policy, contracts, and personnel matters at the Board's request.

(cf. 3100 - Budget)
(cf. 3430 - Investing)
(cf. 9310 - Board Policies)

When a majority of the members of the Board attend an open and noticed meeting of a standing committee, the Board members who are not members of the standing committee shall attend only as observers. (Government Code 54952.2)

Whenever any advisory or standing committee, including a committee not otherwise subject to the Brown Act, posts a meeting agenda at least 72 hours in advance of the meeting, that meeting shall be considered as a regular meeting of the Board for purposes of the Brown Act and therefore must be held within district boundaries unless otherwise authorized by law. (Government Code 54954)

Committees may meet in a closed session during a regular or special meeting only for those purposes specifically authorized by law for closed sessions held by the Board.

LIMITS OF BOARD MEMBER AUTHORITY

The Board of Trustees recognizes that the Board is the unit of authority over the district and that a Board member has no individual authority. Board members shall hold the education of students above any partisan principle, group interest, or personal interest.

(cf. 1160 - Political Processes)
(cf. 9000 - Role of the Board)
(cf. 9005 - Governance Standards)
(cf. 9270 - Conflict of Interest)
(cf. 9323 - Meeting Conduct)

Unless agreed to by the Board as a whole, individual members of the Board shall not exercise any administrative responsibility with respect to the schools or command the services of any school employee. (cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

A Board member whose child is attending a district school should be aware of his/her role as a Board member when interacting with district employees about his/her child. (cf. 1240 - Volunteer Assistance)
(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)

LIMITS OF BOARD MEMBER AUTHORITY (continued)

Additionally, the Superintendent or designee shall provide a Board candidate, upon request by the candidate, the county election official's contact information and general information about school programs, district operations, and Board responsibilities.

(cf. [9230](#) - *Orientation*)

(cf. [9240](#) - *Board Training*)

Recalling a Board Member

A Board member may be recalled as permitted by Elections Code 11000-11386. To commence a recall of a Board member, proponents shall serve, file, and publish or post a notice of intention to circulate the recall petition as specified by law and any applicable county elections official directives. Additionally, the recall petition shall be in the format provided by the Secretary of State and include, among other things, an estimate of the cost of conducting the special election, as determined by the county elections official, in consultation with the district.

Within 14 days after the regular meeting at which the Board receives a certificate of sufficiency of signatures on a recall petition from the county elections official, the Board shall order an election to be held to determine whether the Board member named in the petition shall be recalled. The election shall be held not less than 88, nor more than 125, days after the date that the Board orders the election. However, the election may be conducted within 180 days after the issuance of the Board's order to consolidate the election with a regularly scheduled election. (Elections Code 11240-11242)

BOARD OF TRUSTEES ELECTIONS (continued)

A recall election of a Board member shall be conducted in accordance with Elections Code 11381-11386.

If a recall of a Board member is successful, that Board member's seat becomes vacant and shall be filled in accordance with Education Code 5090-95 and Board Bylaw 9223 – Filling Vacancies.

Consolidation of Elections

The Board may consolidate Board elections with the local municipal or statewide primary or general election in accordance with Elections Code [1302](#). Additionally, if a regularly scheduled Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the Board shall take action to consolidate Board elections with statewide elections in accordance with Elections Code 14051-14052.

In order to consolidate elections, the Board shall adopt a resolution and submit it to the County Board of Supervisors for approval not later than 240 days prior to the date of the currently scheduled district election. (Elections Code [10404.5](#))

Whenever a regularly scheduled Board election is changed due to consolidation of elections, the terms of office of incumbent Board members shall be extended to align with the next applicable election. (Elections Code [10404.5](#))

(cf. [9110](#) - Terms of Office)

For each election, upon certification by the County Board of Supervisors, the Board shall declare who has been elected to the Board in accordance with law. (Election Code 15400)

A Board member whose term has expired shall continue to discharge the duties of the office until a successor has qualified by taking the oath of office. (Government Code 1302, 1360)

Board members may reside anywhere within the district's boundaries and shall be elected by all voters in the district.

The Board may review the district's Board election method to determine whether any modification is necessary.

If the district seeks to change its election method, the Board shall follow procedural requirements and hold public hearings in accordance with Elections Code 10010 and 21100-21150 before adopting a resolution at an open meeting specifying the change and obtain approval from the county committee on school district organization having jurisdiction over the district in accordance with Education Code 5019.

BOARD OF TRUSTEES ELECTIONS (continued)

The election method or trustee-area boundaries in effect at the beginning of a Board member's term shall be used when any vacancy that occurs during that term is to be filled, even if, during the term, the district has adopted "by-trustee area" election method or trustee area boundaries have been adjusted.

Campaign Conduct

All candidates, including current Board members running as incumbents, shall abide by local, county, state, and federal requirements regarding campaign contributions, funding, and expenditures.

A Board member shall not expend, and a candidate shall not accept, any public money for the purpose of seeking elective office. However, the district may establish a dedicated fund for those seeking election to the Board, provided that the funds are available to all candidates who are qualified pursuant to Education Code [35107](#) without regard to incumbency or political preference. (Government Code 85300)

In order to help protect the public's trust in the electoral process as well as the public's confidence in the Board and district, the Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code [20440](#).

(cf. [0410](#) - *Nondiscrimination in District Programs and Activities*)

(cf. [9223](#) - *Filling Vacancies*)

Candidates for the Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet. Candidate statements shall be limited to no more than 200 words. (Elections Code [13307](#))

When the elections official allows for the electronic distribution of candidate statements, a candidate for the Board may, in addition to or instead of submitting a candidate statement for

BOARD OF TRUSTEES ELECTIONS (continued)

inclusion in the mailed voter's pamphlet, prepare and submit a candidate statement for electronic distribution.

The district shall assume no part of the cost of printing, handling, translating, mailing, or electronically distributing candidate statements filed pursuant to Elections Code [13307](#). As a condition of having candidate statements included in the voter's pamphlet, the district may require candidates to pay their estimated pro rata share of these costs to the district in advance pursuant to Elections Code [13307](#).

Tie Votes in Board Member Elections

Whenever the County Superintendent of Schools certifies to the Board that there is a tie vote such that it is impossible to determine which of two or more candidates has been elected to the Board, the Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the Board. The Board at that time and place shall determine the winner by lot. (Education Code 5016)

This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the district election. BIGGS UNIFIED SCHOOL DISTRICT

Biggs, California

CONFLICT OF INTEREST

The Board of Trustees desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. Accordingly, no “District Official,” defined as a Board member or position designated in the district’s conflict of interest code, shall participate in the making of any decision for the district when the decision will or may be affected by the District Official’s financial, family, or other personal interest or consideration, as defined by law.

(cf. [9005](#) - Governance Standards)

Additionally, a Board member shall abstain from voting on personnel matters that uniquely affect the Board member's relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which the Board member's relative belongs. Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

Conflict of Interest Code

The Board shall adopt a conflict of interest code for the district that incorporates the provisions of 2 CCR [18730](#) by reference, delineates the District Officials, and provides the disclosure categories required for each position. The conflict of interest code shall be submitted to the district's code reviewing body for approval, in accordance with Government Code [87303](#) and within the deadline for submission established by the code reviewing body. (Government Code [87303](#))

Upon direction by the code reviewing body, the Board shall review its conflict of interest code and submit any changes to the code reviewing body or, if no change is required, the Board shall submit a written statement to that effect. (Government Code [87306.5](#))

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new District Officials or changes to the duties of District Officials, the Board shall amend the code, which shall then be submitted to the code reviewing body within 90 days after the changed circumstances necessitating the amendments have become apparent. (Government Code [87306](#))

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code [87311](#))

(cf. [9320](#) - Meetings and Notices)

CONFLICT OF INTEREST (continued)**Conflict of Interest under the Political Reform Act**

A District Official shall not make, participate in making, or in any way use or attempt to use an official position to influence a governmental decision in which the District Official knows or has reason to know that there is a disqualifying conflict of interest. A disqualifying conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect," which is distinguishable from the effect on the public generally, on the District Official's immediate family, or any financial interest described in 2 CCR 18700. (Government Code 87100, 87101, 87103; 2 CCR 18700-18707)

A District Official makes a governmental decision when, acting within the authority of the office or position, the District Official authorizes or directs any action on a matter, votes or provides information or opinion on it, contacts or appears before other District Official for the purpose of affecting the decision, or takes any other action specified in 2 CCR 18704.

However, a District Official is not prohibited from participating in the making of a contract in which the District Official has a financial interest if such participation is required by the rule of necessity or legally required participation pursuant to Government Code [87101](#) and 2 CCR [18705](#).

Conflict of Interest from Campaign Contributions

Prior to the district rendering a decision in a proceeding before the district involving a contract, license, permit, or other entitlement for use, as defined by Government Code 84308, a Board member whose campaign committee received a contribution of more than \$500 from any party or participant to the proceeding, or from an agent of such a party or participant, in the prior 12 months, and the party who made such a contribution, shall both publicly disclose that fact on the record of the proceeding. Additionally, if a Board member willfully or knowingly received a contribution to the Board member's campaign committee of more than \$500 from any party or participant to such a proceeding, or from an agent of a party or participant, in the prior 12 months, and knows or has reason to know that the participant has a financial interest in the district's decision, the Board member shall not make, participate in making, or in any way attempt to use the Board member's official position to influence the district's decision in the proceeding. However, a Board member may make, participate in making, or attempt to use the Board member's official position to influence the decision if the contribution is returned within 30 days after the decision was made or after the Board member knows or should have known about the contribution and the proceeding, whichever is later.

All Board members and the Superintendent are prohibited from accepting, soliciting, or directing a contribution of more than \$500 to a candidate or ballot measure campaign committee from any party or participant to a proceeding before the district involving a contract, license, permit, or other entitlement for use, as defined by Government Code 84308, or from an agent of a party or participant, while the proceeding is pending before the district and for 12 months following the date the district renders a final decision in the proceeding, if the Board member or Superintendent knows or has reason to know that the participant has a financial interest in the district's decision. However, if a Board member or the Superintendent does accept, solicit, or direct such a contribution during those 12 months but did not do so knowingly or willingly, the Board member or the Superintendent may cure the violation by ensuring that the contribution, or the portion exceeding \$500, is returned within 30 days of accepting, soliciting, or directing the contribution. The Board member or Superintendent shall maintain records of curing the violation. (Government Code 84308)

CONFLICT OF INTEREST (continued)

For a Board member or the Superintendent, a proceeding becomes "pending" when an item involving the contract, license, permit, or other entitlement for use, as defined by Government Code 84308, is placed on a Board agenda for discussion or decision or when it is reasonably foreseeable that the proceeding will come before the district for a decision. For a party or participant, and the agent of a party of participant, a proceeding becomes "pending" when an application is filed with the district, or, if the proceeding process does not require an application, when the proceeding is before the district for a decision or other action. (Government Code 84308)

The contributions disclosure requirements and restrictions above do not apply to contracts that are required to be competitively bid, labor contracts, personal employment contracts, contracts valued under \$50,000, contracts where no party receives financial compensation, or contracts with another governmental agency. (Government Code 84308)

Form 700

Each District Official shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. An individual who ceases to be a District Official shall, within 30 days, file a revised statement covering the period of time between the closing date of the last required statement and the date the individual ceased to be a District Official. (Government Code 87302)

Additional Requirements for Boards that Manage Public Investments

Any Board member, district employee, district consultant who manages public investments, as defined by Government Code [87200](#) and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict of interest and immediately prior to the consideration of the matter, do all of the following: (Government Code [87105](#); 2 CCR [18707](#))

1. Publicly identify each financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required.
2. Not discuss or vote on the matter, or otherwise act in violation of Government Code 87100.

For a Board member, the Board member shall not be counted toward achieving a quorum while the item is discussed.

3. Leave the room until after the discussion, vote, and any other disposition of the matter is concluded

However, the Board member, district employee, or district consultant who manages public investments, as defined by Government Code 87200, may speak on the issue during the time that the general public speaks on it. Additionally, for a Board member, if the matter has been placed on the consent calendar, the Board member shall abstain from voting on the consent calendar or, if the Board removes the item from the consent calendar, the Board member shall abstain from voting on the item. In any event, the Board member shall refrain from

CONFLICT OF INTEREST (continued)

discussing or voting on the item. However, the Board member is not required to leave the room during consideration of the consent calendar.

4. If a decision is made during closed session, disclose the interest orally during the open session preceding the closed session.

This disclosure shall be limited to a declaration that the recusal is because of a conflict of interest pursuant to Government Code [87100](#). The Board member, district employee, or district consultant who manages public investments, as defined by Government Code 87200, shall not be present when the item is considered in closed session and shall not knowingly obtain or review a recording or any other nonpublic information regarding the Board's decision.

(cf. [3430](#) - Investing)

(cf. [9321](#) - Closed Session Purposes and Agendas)

(cf. [9321.1](#) - Closed Session Actions and Reports)

Conflict of Interest under Government Code [1090](#) - Financial Interest in a Contract

A District Official shall not be financially interested in any contract made by the district, including in the development, internal discussions, negotiations, modifications, planning, deliberation of issues, and specifications and solicitations for bids. If a District Official has such a financial interest in a contract made by the district, the contract is void. (Government Code [1090](#))

Remote Interest Exception to Government Code 1090

A Board member shall not be considered to be financially interested in a contract in which there is only a "remote interest," as specified in Government Code [1091](#), if the interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. (Government Code [1091](#))

Noninterest Exception to Government Code 1090

A District Official shall not be considered to be financially interested in a contract if the interest is reimbursement for actual and necessary expenses incurred in the performance of official duties, in the employment of a spouse/registered domestic partner who has been a district employee for at least one year prior to the Board member's election or appointment, or in any other "noninterest" specified in Government Code 1091.5.

Common Law Doctrine Against Conflict of Interest

A District Official shall abstain from any official action in which the District Official's private or personal interest may conflict with official duties pursuant to the common law doctrine against conflict of interest.

CONFLICT OF INTEREST (continued)

Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code [1099](#), [1126](#))

(cf. [4136/4236/4336](#) - Nonschool Employment)

Gifts

District Officials may accept gifts only under the conditions and limitations specified in law including, but not limited to, Government Code [89503](#) and 2 CCR [18730](#).

Gifts of travel and related lodging and subsistence shall be subject to the current gift conditions and limitations, except when: (Government Code [89506](#))

1. The travel is in connection with a speech given by a District Official, provided the lodging and subsistence expenses are limited to the day immediately preceding, the day of, and the day immediately following the speech and the travel is within the United States.
2. The travel is provided by a person or agency specified in Government Code [89506](#), including a government, governmental agency or authority, bona fide public or private educational institution, as defined in Revenue and Taxation Code 203, or nonprofit organization exempt from taxation under section 501(c)(3) of the Internal Revenue Code.

Gifts of travel exempted from the gift limitation, as described in items #1 and 2 above, shall nevertheless be reportable on the recipient's Statement of Economic Interest/Form 700 as required by law.

A gift of travel does not include travel provided by the district for District Officials (Government Code [89506](#))

Honoraria

District Officials shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private conference, convention, meeting, social event, meal, or like gathering. (Government Code [89501](#), [89502](#))

The term honorarium does not include: (Government Code [89501](#))

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession, unless the sole or predominant activity of the business, trade, or profession is making speeches

CONFLICT OF INTEREST (continued)

2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

Advice

Any District Official, who, in good faith, believes that they may be subject to the requirements of this Bylaw and has questions, is unclear, or is unsure regarding the application of the requirements of this Bylaw to any particular instance or situations, may seek advice from the district's legal counsel with the permission of the Superintendent, Board President, or majority of the Board.

Training

Unless a Board member's term expires prior to January 1, 2026, each Board member shall complete ethics training in accordance with Government Code 53234-5325.2 by January 1, 2026, and at least once every two years thereafter as specified in Board Bylaw 9240 – Board Training.

(cf. 0460 - Local Control and Accountability Plan)

The Board recognizes the importance of maintaining a policy manual that is up to date and reflects the mandates of law. Board policies are binding on the district to the extent that they do not conflict with federal or state law and are consistent with the district's collective bargaining agreements. No Board policy, bylaw, or administrative regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable federal or state law or regulations or court decisions. If any portion of a policy is found to be invalid, that invalidity shall not affect other provisions of the policy.

(cf. 2210 - Administrative Discretion Regarding Board Policy)

Policies shall be regularly reviewed at a time allocated for this purpose on the agenda of public Board meetings.

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

The Board shall review certain policies annually, as required by Education Code 35160.5. If no revisions are deemed necessary, the Board minutes shall nevertheless indicate that the review was conducted. Other policies shall be monitored and reviewed as specified in the policy itself or as needed to reflect changes in law or district circumstances.

(cf. 5116.1 - Intradistrict Open Enrollment)

(cf. 6145 - Extracurricular and Cocurricular Activities)

Policy Development and Adoption Process

The district's policy development process shall include the following basic steps:

BOARD POLICIES (continued)

1. The Board and/or Superintendent or designee shall identify the need for a new policy or revision of an existing policy. The need may arise from a change in law, a new district vision statement, new goals in the local control and accountability plan, educational research or trends, an incident that has arisen in the district, or a recommendation or request from staff, a parent/guardian, or other interested person.
2. As needed, the Superintendent or designee shall gather fiscal data, staff and public input, related district policies, sample policies from the California School Boards Association or other organizations or agencies, and other useful information and data to fully inform the Board about a particular issue.

(cf. 1220 - Citizen Advisory Committees)

3. The Board may hold discussions during a public Board meeting to gain an understanding of the issue and provide initial direction to the Superintendent or designee. The discussion may include, but not be limited to, community expectations, staff recommendations, and the expected impact of the policy on student learning and well-being, equity, governance, and the district's fiscal resources and operational efficiency.
4. The Board or Superintendent may request that legal counsel review the draft policy as appropriate.
5. The Superintendent or designee shall develop and present a draft policy for a first reading at a public Board meeting. At its second reading, the Board may take action on the proposed policy. The Board may waive the second reading or may require an additional reading if necessary.

(cf. 9323 - Meeting Conduct)

Only policies formally adopted by a majority vote of the Board shall constitute official Board policy.

(cf. 9323.2 - Actions by the Board)

The district's policy development process may be revised or expanded as needed based on the issue being considered, the need for more information, or the desire to provide greater opportunities for consultation and public input.

Policies shall become effective upon Board adoption or at a future date if so designated by the Board at the time of adoption.

Board Bylaws

The Board shall prescribe and enforce rules for its own governance consistent with state law and regulations. (Education Code 35010)

BOARD POLICIES (continued)

Bylaws governing Board operations may be developed, adopted, and amended following the same procedures as those used for the adoption or amendment of Board policy.

Administrative Regulations

The Superintendent or designee shall be responsible for developing and enforcing administrative regulations for the operation of the district. Administrative regulations shall be consistent with law and Board policy and shall be designed to promote the achievement of district goals and objectives. Administrative regulations may describe specific actions to be taken, roles and responsibilities of staff, timelines, and/or other provisions. The Superintendent or designee may also develop procedures manuals, handbooks, or other guides to carry out the intent of Board policy.

When Board policies are amended, the Superintendent or designee shall review corresponding administrative regulations to ensure that they conform to the intent of the revised policy. In case of conflict between administrative regulation and Board policy, policy shall prevail.

The Board may review and/or approve administrative regulations for the purpose of ensuring conformity with the intent of Board policy.

Monitoring and Evaluation

At any time, the Board and Superintendent or designee may determine that progress reports to the Board on the implementation and/or effectiveness of the policy should be scheduled. If so, the Board and Superintendent or designee shall agree upon a timeline and, as applicable, measures for evaluating the effectiveness of the policy in achieving its purpose.

(cf. 0500 - Accountability)

Access to Policies

The Superintendent or designee shall ensure that all district employees and the public have access to an up-to-date district policy manual. The policy manual shall be maintained electronically and/or by paper copy.

(cf. 1113 - District and School Web Sites)
(cf. 1340 - Access to District Records)

As necessary, the Superintendent or designee shall notify staff, parents/guardians, students, and other stakeholders whenever a policy that affects them is adopted or revised. He/she may determine the appropriate communication strategy depending on the issue. Policies shall be posted on the district's web site when required by law.

All telephone numbers provided by the media in the most recent request for notification shall be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time notification is given to the other members of the Board about the meeting. (Government Code 54956.5)

The Board of Trustees is committed to complying with state open meeting laws and modeling transparency in its conduct of district business. The Board shall hold a closed session during a regular, special, or emergency meeting only for purposes authorized by law.

Each agenda shall contain a general description of each closed session item to be discussed at the meeting as required by law and provided in the accompanying Exhibit (1). (Education Code 35145, Government Code [54954.2](#), 54954.5, 54957)

In the open session preceding the closed session, the Board shall disclose the items to be discussed in closed session as specified in this bylaw. If the action taken results in one or more substantive amendments, the Superintendent or designee shall make the document available the next business day or when the necessary changes to the document are completed. Before the Board holds a closed session on specific complaints or charges brought against an employee, the Superintendent or designee shall ensure that the employee receives written notice of the right to have the complaints or charges heard in open session. This notice shall be delivered personally or by mail at least 24 hours before the time of the closed session. (Government Code 54957)

Personnel Matters: Application for Early Withdraw of Funds in Deferred Compensation Plan

The Board may hold a closed session to discuss an employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Negotiations/Collective Bargaining

The Board may meet in closed session to review the Board's position and/or instruct its designated representative(s) regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation. A closed session regarding salaries, salary schedules, or compensation paid in the form of fringe benefits may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. Final action on the proposed compensation of one or more unrepresented employees shall not be taken in closed session. (Government Code 54957.6)

The Board also may meet in closed session with a state conciliator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Pursuant to Government Code 54957.1, approval in closed session of an agreement regarding labor negotiations with represented employees pursuant to Government Code 54957.6 shall be reported after the agreement is final and has been accepted or ratified by the other party. However, the Board may, at its sole discretion, vote on such an agreement in open session. (Government Code 54957.1)

Pursuant to Government Code 3549.1, the Board may, without following the requirements of the Brown Act, meet in closed session exclusively for the purpose of discussing its position regarding any matter within the scope of representation or for the purpose of instructing its designated representatives. The Board shall not discuss any other item at any such closed session. (Government Code 3549.1)

CLOSED SESSION PURPOSES AND AGENDAS (continued)**Matters Related to Students**

If a public hearing would lead to the disclosure of confidential student information such as grades or discipline information, the Board shall meet in closed session to consider a suspension, disciplinary action, any other action against a student except expulsion, or a challenge to a student record. At least 72 hours prior to the start of the meeting of which the closed session is a part, the Superintendent or designee, on behalf of the Board, shall, in writing, by registered or certified mail or by personal service, notify the student and the student's parent/guardian of the intent of the Board to hear the item in closed session. If a written request for open session is received from the student or the student's parents/guardians within 48 hours of receiving the notice, the meeting shall be public, except that any discussion at that meeting which may be in conflict with the right to privacy of any other student shall remain in closed session. (Education Code 35146, 48912, 49070)

If the Board conducts an expulsion hearing pursuant to Board Policy 5144.1 - Suspension and Expulsion/Due Process, the Board shall do so in closed session unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board shall meet in closed session for the purpose of deliberating and determining whether the student should be expelled. (Education Code 48918)

In order to protect student privacy rights provided in 20 USC 1232g or other applicable laws, the identity of a student shall not be listed in the agenda and, unless the item is heard in open session, shall not be included in any report after closed session. Additionally, a student matter shall be listed in the open session portion of the agenda with the same description and numbering system as it was on the closed session portion of the agenda.

Security Matters

The Board may meet in closed session with the Governor, Attorney General, District Attorney, district legal counsel, sheriff or chief of police, or their respective deputies, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings; to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service; or to the public's right of access to public services or public facilities. Such discussions may be held in closed session during an emergency meeting called pursuant to Board Bylaw 9320 - Meetings and Notices and Board Bylaw/Exhibit (1) 9323.2 - Actions By The Board.

The Board may also meet in closed session to consult with law enforcement officials on the development of a plan for tactical responses to criminal incidents and to approve the plan. (Education Code 32281)

Real Property Negotiations

CLOSED SESSION PURPOSES AND AGENDAS (continued)

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property. (Government Code 54956.8)

Anticipated Litigation/Initiation of Litigation

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding anticipated litigation or whether to initiate litigation when discussion of either matter in open session would prejudice the district's position with respect to such litigation. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956)

Litigation is considered to be "anticipated" when, in the Board's opinion based on the advice of its legal counsel regarding the existing facts and circumstances, there is a significant exposure to litigation against the district or against a district officer or employee based on prior or prospective activities or alleged activities during and potentially during the course and scope of that office or employment. (Government Code 54956.9)

Existing facts and circumstances are limited to the following: (Government Code 54956.9)

1. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiff(s)
2. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiff(s)
3. The receipt of a claim pursuant to the Government Claims Act or a written threat of litigation from a potential plaintiff
4. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board
5. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting

Each agenda item related to anticipated litigation shall only contain one such matter. For an anticipated litigation item that is anticipated based on Items #2, #3, or #5 above, the agenda item shall also include the facts or circumstances that might result in litigation, the claim or written threat of litigation, or the record of the threat. However, the agenda item shall not identify the alleged victim of unlawful or tortious sexual conduct or anyone making the threat on the alleged victim's behalf, or identify a public employee who is the alleged perpetrator of any unlawful or tortious conduct upon which a threat of litigation is based, unless the identity of the person has been publicly disclosed. (Government Code 54956.9)

CLOSED SESSION PURPOSES AND AGENDAS (continued)**Existing Litigation**

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding existing litigation when discussion of the matter in open session would prejudice the district's position with respect to such litigation. Litigation is considered to be "existing" when the district has been named a party to the litigation or a district officer or employee has been named a party to the litigation based on prior or prospective activities or alleged activities during the course and scope of that office or employment, including litigation in which involves whether an activity is outside the course and scope of the office or employment. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Tort, Public, or Workers' Compensation Liability

The Board may meet in closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA) formed for the purpose of insurance pooling or self-insurance authority of which the district is a member. (Government Code 54956.95)

Joint Powers Agency Issues

When the board of the JPA has so authorized and upon advice of district legal counsel, the Board may meet in closed session in order to receive, discuss, and take action concerning information that has direct financial or liability implications for the district and that was obtained in a closed session of a JPA of which the district is a member.

During the Board's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members. (Government Code 54956.96))

Review of Audit Report from California State Auditor's Office

Upon receipt of a confidential final draft audit report from the California State Auditor's Office and before the report has been made public, the Board may meet in closed session to discuss its response to that report. After public release of the report from the California State Auditor's Office, any Board meeting to discuss the report shall be conducted in open session, unless exempted from that requirement by some other provision of law. (Government Code 54956.75)

Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

AGENDA/MEETING MATERIALS

Agenda Content

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning and well-being.

Each agenda shall state the meeting time and location and shall briefly describe each item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. The agenda for a regular meeting shall also provide members of the public an opportunity to address the Board regarding matters within the subject matter jurisdiction of the Board which are not on the agenda. (Education Code 35145.5; Government Code 54954.3)

The agenda does not need to provide an opportunity for public comment on an item that has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item, and the item has not been substantially changed since the committee considered it. (Government Code 54954.3)

The notice and agenda shall describe the means available for the public to access the meeting and provide public comment in-person and, if a Board member is appearing remotely due to an emergency circumstance or for just cause pursuant to Government Code 54953, through an internet-based service or call-in option. (Government Code 54953)

The agenda shall include information regarding how, when, and to whom a request for disability-related accommodations or modifications, including auxiliary aids and services, may be made by an individual who requires accommodations or modifications in order to participate in the Board meeting, as well as the procedure for receiving and resolving such requests as required by law. (Government Code 54954.2)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item, or for records of a statement threatening litigation against the district to be discussed in closed session, when such documents have been distributed to the Board less than 72 hours before the meeting. (Government Code 54956.9, 54957.5)

Each agenda shall include a statement regarding the option for students and parents/guardians to request that directory information or personal information of the student or parent/guardian, as defined in Education Code 49061 and/or 49073.2, be excluded from the minutes. The agenda shall also state that the request must be made in writing to the secretary or clerk of the Board.

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting.

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information.

The Board president and Superintendent shall decide whether a request from a member of the public is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information, and if so, respond accordingly.

If the Board president and Superintendent deny a request from a Board member to place an item on the agenda, the Board member may request the Board to take action during a Board meeting to determine whether the item shall be placed on the agenda.

The Board president and Superintendent shall also decide whether an agenda item is appropriate for discussion in open or closed session, whether the item should be an action item subject to Board vote or an information item, and when the item is placed on the agenda.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval. When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item unless such item has been previously considered at an open meeting of a committee comprised exclusively of Board members. (Government Code 54954.3)

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda.

BB 9322(c)

AGENDA/MEETING MATERIALS (continued)

(GovernmentCode 53635.7)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

Agenda Dissemination to Board Members

At least 72 hours before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, and others; and other available supporting documents pertinent to the meeting.

When special meetings are called, Board members shall receive, at least 24 hours prior to the meeting, notice of the business to be transacted. (Government Code 54956)

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not, outside of a noticed meeting, directly or through intermediaries or electronic means discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

Agenda Dissemination to Members of the Public

Agenda and related materials distributed to the Board shall be made available to the public upon request without delay. However, only those documents which are disclosable public records under the Public Records Act (PRA) and which relate to an agenda item scheduled for the open session portion of a regular meeting or which contain a claim or written threat of litigation which will be discussed in closed session shall be made available to the public. (Government Code 54956.9, 54957.5)

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code 54954.2)

In addition, the Superintendent or designee shall post the agenda on the homepage of the district website. The posted agenda shall be accessible through a prominent direct link to the current agenda or to the district's agenda management platform in accordance with Government Code 54954.2. When the district utilizes an integrated agenda management platform, the link to that platform shall take the user directly to the website with the district's agendas, and the current agenda shall be the first available. (Government Code 54954.2)

BB 9322(d)

AGENDA/MEETING MATERIALS (continued)

If a writing which relates to an open session agenda item or which contains a claim or written threat of litigation which will be discussed in closed session during a regular Board meeting is

distributed to the Board less than 72 hours prior to a meeting, the Superintendent or designee shall make the writing available for public inspection at a designated location at the same time the document is distributed to all or a majority of the Board. However, if the writing is distributed to at least a majority of the Board at a time when the designated location is closed to the public, this requirement may be satisfied by posting the writing on the district website if the following conditions are met: (Government Code 54957.5)

1. An initial staff report or similar document containing an executive summary and any staff recommendations related to the agenda item is made available for public inspection at the designated location at least 72 hours before the meeting
2. The writing is immediately posted on the district's website in a position and manner that makes it clear that the writing relates to an agenda item for the upcoming meeting
3. The district lists the website address where such writings may be accessed on all Board meeting agendas
4. A physical copy of the document is made available for public inspection at the designated location at the beginning of the next regular business hours, but not less than 24 hours before the relevant Board meeting

The Superintendent or designee shall mail a copy of the agenda or a copy of all the documents constituting the agenda packet to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Government Code 54954.1)

The Superintendent or designee shall email a copy of, or a website link to, the agenda or a copy of all the documents constituting the agenda packet to any person who requests such items to be delivered by email. If the Superintendent or designee determines that it is technologically infeasible to do so, a copy of the agenda or a website link to the agenda and a copy of all other documents constituting the agenda packet shall be sent to the person who has made the request in accordance with mailing requirements specified in law. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Superintendent or designee, not to exceed the cost of providing the service

BB 9322(e)

AGENDA/MEETING MATERIALS (continued)

Any document prepared by the district or Board and distributed during a public meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the PRA. (Government Code 54957.5)

Upon request, the Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

MEETING CONDUCT

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

Regular Board meetings shall be adjourned at 10:30 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and if necessary, may subsequently be adjourned to a later date.

(cf. [9320](#) - Meetings and Notices)

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code [35164](#))

(cf. [9323.2](#) - Actions by the Board)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, the abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

(cf. [9270](#) - Conflict of Interest)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting, except that if the meeting is conducted using remote public participation or with a Board member attending remotely pursuant to Government Code

BB 9323(b)

MEETING CONDUCT (continued)

54953, a member of the public desiring to provide comment through the use of a third party internet website or online platform may be required to register as required by the third party provider.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code [35145.5](#); Government Code [54954.3](#))

2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code [35145.5](#); Government Code [54954.2](#))
3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, Board members or staff members may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. (Government Code [54954.2](#))

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code [54954.2](#))

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code [54954.3](#))

(cf. [9130](#) - Board Committees)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

In general, individual speakers will be allowed three minutes to address the Board on each agenda or nonagenda item, and the Board will limit the total time for public input on each item to 20 minutes. However, in exceptional circumstances when necessary to ensure full opportunity for public input, the Board president may, with Board consent, adjust the amount of time allowed for public input and/or the time allotted for each speaker. Any such

BB 9323(d)

MEETING CONDUCT (continued)

adjustment shall be done equitably so as to allow a diversity of viewpoints. The president may also ask members of the public with the same viewpoint to select a few individuals to address the Board on behalf of that viewpoint.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code [54954.3](#))

6. The Board president may rule on the appropriateness of a topic, subject to the following conditions:

- a. If a topic would be suitably addressed at a later time, the Board president may indicate the time and place when it should be presented.
- b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code [54954.3](#))
- c. The Board shall not prohibit public criticism of district employees. However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board president shall inform the complainant of the appropriate complaint procedure.

(cf. [1312.1](#) - *Complaints Concerning District Employees*)

(cf. [9321](#) - *Closed Session Purposes and Agendas*)

7. The Board president shall not permit actual disruption of Board meetings. Actual disruption by an individual or group or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the president to terminate the privilege of addressing the Board and remove the individual from the meeting.

The Board President or designee may remove an individual for actually disrupting the meeting. Prior to removal, the individual shall be warned that their behavior is disrupting the meeting and that failure to cease the disruptive behavior may result in removal. If, after being warned, the individual does not promptly cease the disruptive behavior, the Board president, or designee, may then remove the individual from the meeting. (Government Code 54957.95)

When an individual's behavior constitutes the use of force or a true threat of force, the individual shall be removed from a Board meeting without a warning. (Government Code 54957.95)

Disrupting means engaging in behavior during a Board meeting that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, a failure to comply with reasonable and lawful regulations adopted by a

BB 9323(e)

MEETING CONDUCT (continued)

legislative body pursuant to Section 54954.3 or any other law, or engaging in behavior that constitutes use of force or a true threat of force. (Government Code 54957.95)

True threat of force means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat. (Government Code 54957.95)

Additionally, the Board may order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When disruptive conduct occurs, the Board may decide to recess the meeting to help restore order, or if removing the disruptive individual(s) or clearing the room is infeasible, move the meeting to

another location. The Board may direct the Superintendent or designee to contact local law enforcement as necessary.

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee may designate locations from which members of the public may make such recordings without causing a distraction.

(cf. [9324](#) - Board Minutes and Recordings)

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code [54953.5](#), [54953.6](#))

(cf. [9005](#) - *Governance Standards*)

The Board shall evaluate itself as a whole. Individual Board members are also expected to use the evaluation process as an opportunity to assess and set goals for their own personal performance.

Each year, the Board, with assistance from the Superintendent, shall determine an evaluation method or instrument that measures key components of board responsibility and previously identified performance objectives. Visual and/or audio recordings of a Board meeting may only be used as an evaluation tool when consent is given by all Board members.

Any discussion involving the Board's self-evaluation shall be conducted in open session.

At the request of the Board, a facilitator may be used to assist with the evaluation process. The Board may invite the Superintendent or other individual(s) with pertinent information to provide input into the evaluation process.

Following the evaluation, the Board shall set goals, define and/or refine protocols, and establish priorities and objectives for the following year's evaluation. The Board shall also develop strategies for strengthening Board performance based on identified areas of need, including, but not limited to, Board trainings such as those offered by the California School Boards Association.
