# 2022- 2023 Proposed High School Schedule

**Continue with weekly 1-hour early release based on positive feedback from students and teachers. Time is used for:**

- Team collaboration
- Data analysis
- Development of student plans

The background features a light beige, textured surface with faint, curved white lines. Scattered throughout are several abstract geometric diagrams. On the left and right sides, there are larger structures consisting of a central red sphere connected by teal lines to three other spheres (one orange, one teal, one orange). In the center and corners, there are smaller diagrams of red spheres connected by orange lines, some with a small teal 'x' or '+' symbol next to them. The word 'Questions?' is centered in a large, bold, black font.
