

Carriere WUSD SCHOOL BOARD REPORT

Julie Carriere, Director of Community Schools
4/2/2026

LCAP Goal 1: Establish a high-performing district culture with quality teaching and learning

Expanded Learning Opportunities Program (ELOP)

- Expect Success Summer Camp planning is moving forward. We have all the Certificated teachers lined up, and are still looking for about 4 more activity assistants. Swim lessons have been included again as they are such a huge hit with the students. Program design, staffing coordination, and enrichment partnerships. Trips and curriculum are getting dialed in.
 -
 - Continued emphasis on academic reinforcement, student wellness, and social-emotional learning within expanded learning offerings.
 - Monitored program quality, staffing, student participation, and compliance to ensure effective and equitable access.
 - LTIS enrollment currently remains stable, with continued monitoring of student progress and completion rates across sites. WE are at 23 as of Monday with two intakes this week.
-

LCAP Goal 2: Increase academic proficiency and growth for all students

Career Technical Education (CTE)

- Had our 2nd CTE Advisory Committee. We asked teachers to each bring 2 or three advisors representing their pathways. Some did but I was disappointed in the attendance. WE should have had 14-20 and there were 6. Working on communicating the importance of having industry voice in our CTE pathways.
 - Continued participation in the ACSA Aspiring Superintendent Academy, focusing on systems leadership and district-level improvement strategies. HR & Communication were emphasized this month.
 - Looking into hiring 1 or 2 Certificated employees to help mitigate some learning losses and help support Tier 2 & 3 interventions for our Tk-4 and 5-8
-

LCAP Goal 3: Develop and maintain systematic partnerships with students, parents, county resources, and community members to improve student engagement

Community Schools (CCSPP)

- Huge Successful Wellness Walk on March 14th over 200 people came to the park. We had over 20 vendors meeting our community members. The activities for the children were a huge success. I believe it was a tie between the slime table and the Bubble station.

Carriere WUSD SCHOOL BOARD REPORT

- Continued recruitment efforts to identify a Wellness Coach for the Murdock site to strengthen on-site student support.
 - Bilingual Liaisons working closely with Ron to ensure continuity of services and academic engagement.
 - Meeting monthly with North State RTAC to align Community Schools implementation with regional priorities and sustainability planning. Run by the county lead Dr. Aaron Koch .
-

Upcoming Events

ELOP: Ongoing refinement of Summer programming and enrichment partnerships.

CCSPP: Continued regional collaboration and annual reporting for Community Schools grant. Working with School Sites to help and support upcoming Open Houses.
