2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Description and Mission Statement

We are pleased to have your family be a part of Bidwell Elementary School. At Bidwell Elementary School, our purpose is to cultivate well-rounded children who have the social, academic, and life skills needed to prepare them for their futures. As early as our Transitional Kindergarten, Bidwell Elementary faculty and staff help families and students begin to map out the path toward making dreams come true. We know education is the key to success that opens the door to future opportunities. Our dedicated faculty and staff are committed to providing our students with the best education possible.

Bidwell Elementary is an extraordinary place filled with traditions and people who make a difference in the lives of every student. Our faculty and staff firmly believe that meaningful relationships with our students, families, and our community are the

foundation of our success. We provide a safe, and nurturing learning environment centered around our pillars of respectful, responsible, kind, and safe citizenship. On the Bidwell campus, the school-wide expectations are evident in all we do. Students learn to to regulate emotions and build successful relationships which are embedded in our social-emotional curriculum, Character Strong.

The faculty, staff and I look forward to working with you and your child. We know that our partnership is essential to our collective success and we value your input and involvement. We invite you to collaborate with us in helping your children achieve their dreams because we believe dreams are meant to become realities. As the principal of Bidwell Elementary, I am proud to serve you and your child and be a part of your child's educational journey.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbooks and core instructional curriculum throughout the district align to the California State Standards. Instructional materials for history-social studies and science have been updated to align to the most recent content area standards and are available to all teachers and students. One-to-one computing in our district allows every student access to instructional materials exclusively available in a digital format.

B. Pupil Outcomes	State Priority: Pupil Achievement
	The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4): Statewide Assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities). The CAASPP System encompasses the following assessments and student participation requirements: 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven. 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven. 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve). College and Career Ready The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parents play a major role in the success of both their children and the successful operation of our school. Students benefit when the school and parents work together as partners. We invite you to actively participate in your child's education and to support the school through our volunteer program. We know that parent involvement can take many forms and whether you can be here with us during school hours, participate in a committee, prepare something for the classroom from your home or be with us at one of our family events, we appreciate your involvement. One of our goals is to meet with 100% of parents at our Back to School Night event and our parent teacher conferences. Bidwell continues to offer opportunities for families to join us on campus to demonstrate student learning and to celebrate as a learning community. A Spring Curriculum games night was added to the calendar to teach families fun ways to support student learning.

Parent involvement options include parent committees such as our School Site Council and English Learner Advisory Council, both which focus on our School Plan for Student Achievement. Volunteers Investing in Bidwell Elementary School (VIBES) is another parent volunteer group that is open to all parents. VIBES organizes fundraisers which are used to fund field trips, campus beautification projects, and school celebrations. In addition, our classroom parent volunteers are essential to our success. In the past our family activities have included our annual Fall Harvest Carnival, Back to School Night, and Spring Open House. In 2024-2025, Bidwell expanded its engagement opportunities to include a Curriculum Games Night in the Spring. In 2025-2026, Bidwell added a Fall Story Night for our families.

Our aim is to increase parental involvement at all levels and we look forward to your suggestions. We are happy to work with parents to find an area of involvement that will fit their needs and benefit our students and school community.

2025-26 School Safety Plan

To keep children safe, our school must be prepared to respond to a range of challenges, including natural disasters, procedures for dealing with man-made hazards and behavior issues. These procedures as well as policies, and intentional instruction in behavior and establishing positive connections help to promote a safe learning environment and are part the school's comprehensive safety plan.

The Comprehensive School Safety Plan (CSSP) is a key component of school safety and required by state law. Every year, the CSSP is reviewed and updated with the school site council or safety planning committee and in consultation with a law enforcement agency or other first responders. Key elements of the CSSP include strategies to create and maintain a positive school climate and promote school safety, including procedures for a range of emergencies. Safety drills are practiced throughout the year, and staff are and trained to follow district procedures. Additionally, Bidwell also has a site addendum to the district safety plan to meet the specific safety needs of our campus.

District-wide we are committed to Positive Behavioral Interventions and Supports (PBIS) to address behavior and social emotional development of students to maintain safe learning environments for all. Teams annually evaluate and monitor the implementation of PBIS and social emotional learning instruction and data to identify safety plan goals. Safety plans are readily available to the public and can be accessed at the school's office or website. Our Safety Plan was last reviewed, updated in November 2025.

Fiscal Year 2024-25 Types of Services Funded

The district's general fund includes funding for:

- General Operations: salaries, benefits, services, and materials
- Special Education: programs offering appropriate, individualized instruction to students with special needs
- Transportation
- Maintenance and Operations
- Special Projects: any monies from agencies (federal or state) earmarked for specific programs, projects or services

Each school receives an instructional budget based on enrollment, programs, and formulas set by Board of Education policy, state law, agreements with bargaining units, and guidelines of outside funding sources. The School Site Council (SSC) meets approximately once a month to develop, implement, monitor, and evaluate the school plan for student achievement. School plans align with the district's Local Control Accountability Plan (LCAP). Parent representatives are elected to the School Site Council and serve two year terms. All parents are welcome and encouraged to attend these meetings to learn more about our school funding and academic goals.

Professional Development

Professional development and collaboration are important aspects for continual improvement for all, students and staff. Three full days are dedicated to professional learning or "Inservice," which occur when students are not in attendance. Every Wednesday is an early dismissal day for students. During these afternoons teachers have both planning and collaboration time. Teachers also meet for 30 minutes every other Tuesday to share information on upcoming events.

In addition to this time, once a week, teachers collaborate in grade level Professional Learning Communities (PLC) utilizing the PLC process and the data analysis protocol to support teaching and learning. The PLC time occurs during the school day, while students attend specials classes such as PE, Art or STEM.

Professional development is delivered through workshop sessions, instructional coaching, and individual mentoring. New teachers attend orientation and curriculum training prior to the start of the school year. Instructional coaches provide job embedded professional learning and coaching cycles focused on student learning. New teachers are assigned a mentor as part of induction or as part of our district's "buddy mentor" program for teachers not yet eligible for induction.

This table displays the number of school days dedicated to staff development and continuous improvement.
