- Learning Lab closes for lunch from 12:00-12:30p on Fridays, then reopens from 12:30-2:30

### Math Lab/Tasks

Aimee

T/Th 2:30-3:40

Room 3

This drop-in math lab is open to **ALL** Alder Grove students in grades 7-12 who are motivated to get help with their math (any program: online, on-campus class or independent study) and/or who want to work on math tasks. Tasks are problem solving activities similar to those on the CAASPP. It's not a place to work on other non-math assignments. The Learning Lab is the place to go for all non-math activities.
