Project Title: Eaton/Floral Roundabout (Capital Project # 50472)

Project Location – General: Chico, Butte County

Project Location - Specific: The project site is located the intersection of Eaton Road and Floral Avenue in the City of Chico, Butte County.

Description of Project: The project proposes to construct a multi-lane roundabout at the Eaton Road/Floral Avenue intersection. The proposed roundabout approaches will include two lanes in each direction on Eaton Road (east-west movements) and one lane in each direction on Floral Avenue (north-south movements). The roundabout footprint is slightly larger than the existing intersection and will require right-of-way acquisition on the northwest and southwest quadrants. Additional right-of-way required for this project is being dedicated by private development projects on both the northeast and southeast quadrants. Adjacent development projects have been designed in anticipation of the roundabout, therefore no impacts to those projects/properties are anticipated. The roundabout will include minor drainage reconfigurations, landscaping, street lighting, walkways, and bicycle facilities consistent with other roundabout installations in the City of Chico. Existing landscaping will be enhanced and restored in the northwest and southwest quadrants of the intersection adjacent to existing apartment complexes.

There are no unusual circumstances leading to a reasonable possibility that significant environmental impacts will result from the project. Therefore, the City finds that the project is exempt from the California Environmental Quality Act (CEQA) in accordance with CEQA Section 15302.
