BUSINESS & INDUSTRY COUNCIL

P.O. BOX 17123, SAN ANTONIO TX 78217-0123

June 7, 2023

To: North East ISD Business and Industry Council (BIC) partners and other interested parties

The BIC is excited to announce our partnership with the Career and Technical Education (CTE) department and Guidance Services to sponsor the 2nd annual North East ISD College and Career Expo. Our focus for this event is career exploration, and the target audience will include middle and high school students. This event will create an opportunity for students to learn about programs offered in the NEISD CTE schools, how these programs connect to career opportunities within our community, and to make connections with post-secondary institutions that offer academic programs to meet job requirements in the San Antonio area. We were proud to host over 30 industry partners last year and would love to have your company participate in the 2023 Career Expo.

Additionally, the BIC realizes that all companies need an opportunity to make connections with students in advanced grade levels to fill current workforce needs. During the spring semester of the 2023-2024 school year, we will host an Internship and Job Fair. Our goal for this event is to connect current 11th and 12th grade students to job opportunities available in your company. We will finalize plans for this event when school starts in the fall so watch for more information.

Event Information:

College and Career Expo

Date: November 8, 2023

Time: 6-8 PM

Location: Freeman Coliseum Expo Hall, 3201 E. Houston St.

Student Internship and Job Fair

Registration and sponsorship levels cover BOTH events. All money collected will support the BIC mission of supporting employer collaboration with CTE programs, supporting and recognizing CTE teachers, and funding annual student scholarships. Click [HERE](#) to access the online registration. All sponsor benefits are listed on the registration form.

Please feel free to contact the NEISD CTE office at 210-407-0184 for any questions.

Sincerely Yours,

NEISD Business and Industry Council (BIC) Board of Directors
