### The Toolbox Program

During the month of January, the Cubs will be learning a new tool from our Toolbox Program- the Using Our Words Tool. Each tool has an icon, tagline, and hand gesture to help students remember and practice each tool. Below are links to the videos explaining the next 3 tools, as well as read alouds to share with your Cub(s) at home.

### Cubs Club Trait of the Month

This month our Cubs are learning and practicing *cooperation*. At home model teamwork in daily chores and conversations, use playtime for collaborative games like building or puzzles, teach turn-taking explicitly, offer choices within rules, provide specific praise for working together, and guide problem-solving with gentle suggestions like, "How can we both use this?" to build essential social skills. Here are some books to read at home about cooperation:

### Tips for Returning From Winter Break

Winter break can sometimes bring a need to reorient your student to the school routine. Returning to school from break may be anxiety producing for some students. Remember, the first few days of drop off may be challenging as everyone adjusts to being back at school.

Hopefully the following tips will help make school drop off a success:

- Get into a routine. Involve your student in picking out their clothing, packing their snacks, etc.
- Continue to be positive!
- **Make a QUICK exit!** Have a "goodbye" routine and stick to it. Staff are available to help if needed.
- Monitor your own feelings; our children take emotional cues from us. If we appear anxious, your student may become anxious too.
- It is best to not take your student home; this sends the message that if they cry then they get to leave.

### Community Resource Spotlight

Lighthouse Counseling and Family Resource Center provides a comprehensive approach to meeting client needs. They offer no-to-low cost counseling, educational classes and programs, and assist clients in obtaining needed resources. You can call (916) 645-3300 or find out more at <https://lighthousefrc.org/>.
