

MONSTER MASHUP

World Building with Clay

CLASSES AT VALLEY VIEW

Pinch, coil, and sculpt tiny worlds to life. Each class offers ten brand-new creative creatures or tiny landmarks—mushroom homes, hotdog dogs, carrot monsters—with teachers modeling key steps 1-on-1. Start simple, then level up: break down characters, add texture, get sizes right. End by staging a themed scene and take it home.

Tuesdays, 2:25PM - 4:00PM

January 27 - March 24 (No Class: 2/17)

\$23 per 95 min class (\$184 for session)
