### Reminders

**Be sure to check your schedule in Aeries as adjustments may have occurred over break!** Remember, Counselors will not be making schedule changes except for mistakes or missing courses. Please refer to the scheduling guidelines in the Handbook.

### SENIORS

Schedule your Senior Portraits early. Use the website [prestigeportraits.com](https://prestigeportraits.com) and click on "Find a studio near you"

The [University of California \(UC\) application](#) for Fall 2026 admission opens on August 1, 2025, and the application filing period is from October 1 to December 1, 2025. You can submit your application anytime within this period, as there is no advantage to submitting earlier or later within the window, according to UC admissions.

For Fall 2026 admission to the [California State University \(CSU\) system](#), the application filing period typically opens on October 1, 2025. The application deadline is generally November 30, 2025. Some campuses may have extended deadlines, so it's crucial to check each individual campus's website for the most accurate information.

The confirmed [SAT test dates](#) for the 2025-2026 school year are: August 23, 2025; September 13, 2025; October 4, 2025; November 8, 2025; December 6, 2025; March 14, 2026; and May 2, 2026. Registration deadlines and late registration deadlines vary for each test date.
