3. New Business-
 - a. Proposal from Hillary Hobbs
 - US History team is requesting to get the GALE database for the program. In the past it had been bought by the Site Council. The library has committed to 1k and they are asking for 1k from us. The total cost is 4k. This gives the teachers and students primary sources, searching skills for papers, and can be a skill that is used across the board in all of their courses and in per-college skills. Finding credible evidence in a non-peer reviewed world for many of the students. Challenging for the students to find credible sources. It is a 1 year subscription. The price has been going up each year and is now beyond the grasp of the US History team. It is for US History only. AP as well. Students use it through the Library. The Junior class are the students that take US History. SRVHS is the only school that uses the database.
 - Motion to approve- Charlie Litten, 2nd- Everyone, motion passed.
4. Principal’s Report- Preparing the Welcome to the Wolf Pack. Kathleen has been an ELITE member of the team and an absolute ROCKSTAR in setting this event up. There will be performances from VAPA and food trucks. Had a staff meeting yesterday that had the Muslim student association as well as the SLAM and SSA student groups speak to the staff. The next meeting is going to be focused on the SIPSA process.
