The Hartland Early Learning Center is a premier program dedicated to providing exceptional early childhood experiences. We are expanding our team of dedicated and caring professionals who are passionate about the growth, development, and care of children in our toddler and preschool aged programs.

What You'll Do:

- **Foster Development:** You'll help build a structured, safe, and nurturing classroom where children can learn, play, and grow through positive everyday interactions.
- **Build Relationships:** Create a positive and welcoming connection with families, and collaborate positively and effectively with fellow teachers.
- **Manage a Dynamic Setting:** Positively guide and support children through their daily routines in a busy environment.
- **Apply Best Practices:** Implement high-quality early childhood development strategies daily.

What We're Looking For:

- Someone who truly loves working with young children and understands (or is excited to learn) how they develop.
- A great communicator who thrives in a team environment.
- Experience in a licensed childcare setting is preferred, but training will be provided for the right candidate.
