Greetings Stone Valley Families,

Welcome to the 2026-27 school year! As I begin my first year as principal, I am deeply honored and excited to join the wonderful Stone Valley community. I extend my heartfelt gratitude to our families and staff for such a warm welcome. I cannot wait to get to know your children and partner closely with you to build an outstanding year ahead.

At SVMS, a strong sense of community sits at the heart of everything we do. We are deeply committed to fostering your child's academic growth while creating a loving environment where every student feels uniquely valued, supported, and inspired. Middle school is a beautiful time for students to explore, embrace new challenges, and develop essential life skills. Thank you for entrusting your children to us. Please review the vital information below as we prepare to start this exciting journey together.

We are incredibly grateful for your partnership in keeping our students safe. The district Annual Update is open. Please log into the Parent Portal, click "More," and select "Annual Update" to verify your emergency contacts and sign annual permissions so we can always reach you quickly.

An additional Stone Valley-specific step includes our online registration process. Don't forget to take advantage of the chance to purchase/complete the following items:

1. Purchase PE clothes
2. Purchase a yearbook
3. Join our PTA
4. Contribute to our Stone Valley Education Fund and Stone Valley programs

Thanks to the generous donations from our parent community, we were able to fully fund 12 additional class sections this year. We were also able to show our appreciation to our amazing staff, ensure that we have the resources necessary to offer a top-notch educational experience for our students, and provide significantly more personalized support due to smaller class sizes.

WEB Orientation Days

Our dedicated student WEB leaders are thrilled to welcome our newest students with open arms and encouraging hearts. They ensure every child steps onto campus feeling confident and cared for:

- **August 7:** WEB Day for incoming 6th graders (8:00 AM – 12:00 PM)
- **August 10:** WEB Day for new 7th & 8th graders new to SVMS (9:30 AM – 11:00 AM)

Devices and Supplies

To support your child's learning, the district continues our 1:1 Chromebook program. Students new to the district will receive their devices at the start of the year. Please ensure your child brings their **FULLY CHARGED** Chromebook to school **DAILY**. We ask that you review the [SVMS Student Chromebook Responsible Use Policy](#) together at home to help them build healthy, focused digital habits.

Student Course Schedules

Our team is working diligently to place every student into their requested classes. The district will release final student schedules on August 12th at 9:00am. If you spot an error (i.e. missing a class, duplicate class, or wrong level math class, etc.) once they are released, your student may complete a schedule change request form. The form will be available after schedules are released. **This [LINK](#) will go live on August 12th at 9:00am.**

Bell Schedules and Calendar

Please review our [Bell Schedule](#) and [2026-2027 Instructional Calendar](#). Remember SVMS features a late start on Wednesdays so our staff can collaborate to better serve your children. Check our [school website](#) regularly as we add exciting events throughout the year.

Our weekly schedule includes two dedicated "Student Support" periods. This meaningful time allows our staff to support both the academic and emotional needs of our students through Responsive Scheduling.

Stone Valley Educational Fund

Your SVEF contributions directly influence Stone Valley's ability to provide a more effective learning environment. This allows for more individual academic intervention, and flexibility for all students by supporting:

- smaller class sizes
- more effective learning environment for all students
- more individualized instruction
- lower staff:student ratios
- staffing that supports the entire SVMS learning community
- library fund

Please consider donating to SVEF as you complete registration. You may click on this [LINK](#) to visit their webpage

Stone Valley PTA

Our Stone Valley PTA enriches our school every day through an incredible spirit of volunteerism and generosity. They build the vibrant community we all enjoy by funding lunchtime games, student assemblies, teacher grants, staff appreciation events, and so much more. Please support this important work by purchasing a \$26 membership during online registration, which also grants you access to our online school directory.
