Class Christmas Party: 12/19

Please let me know if you can help by sending in cups, napkins, spoons, hot cocoa mix, mini marshmallows, or popcorn.

Please sign up through Bloomz or email me at hrupp@dcesd.org

We'll exchange gifts the students will pick for each other from our class's "Santa Shop" - no need to send gifts in!

School Virtue: Patience

This month we will work on waiting quietly and calmly for taking our turn, for exciting events arrive, and for working with classmates and staff.

If you haven't yet, please help your student write down their birthdate plus 6 more important events for their life's timeline.

Thank you for your support!

Thursday, 12/04 @ 6 PM will be our Winter Performance! Please have your student dressed in a plain black shirt and plain pants in our room at 5:30 PM. Please have your student head home at 2:30 that day so they can rest and eat dinner prior to the performance!

We look forward to hearing students report back from their interviews with their grandparents/grandpals. One idea is to video the interview. That could be a priceless treasure you give your kiddo.

Rock-n-Roll

Help your child find an interesting rock to submit to our classroom rock museum we will start building in January when we return from our break.
