## 2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2025-26 School Description and Mission Statement

Colusa Community - -Situated along the Sacramento River, Colusa is a quiet and serene community. Colusa County is one of the original 27 California counties created in 1850. Located along the Pacific Flyway, this city is 120 miles north of San Francisco, and 69 miles northwest of Sacramento. The city benefits from an excellent location, with Interstate 5, the major northwest transportation quarter for the West Coast, passing within nine miles of the city. Much of the land area around the city is devoted to agriculture-the primary economic activity and major source of commerce and employment.

Colusa Unified School District--The district consists of three comprehensive schools: Colusa High School, Egling Middle School and Burchfield Primary School. Additionally, to meet the needs of those who wish an alternative to these schools the district

## 2025-26 School Description and Mission Statement

offers the Colusa Alternative Home School which assists families with the desire to educate children at home and Colusa Alternative High School which assists students in completing deficient credits. The Burchfield Primary School's mascot is the BraveHawks, the Egling Middle School's mascot is the RiverHawks and Colusa High School's is the RedHawks.

Egling Middle School serves 550 students in grades 4th-8th. Egling Middle School has a number of special programs offered to students, including a 4th-8th grade After-School Program, Leadership Classes, Band, 4th -5th grade PE specialist, Language Development classes, and 6th grade involvement in environmental education school at Sly Park Outdoor School. Egling Middle School has a chromebook for every student. A variety of sports are offered at 7th and 8th grade students including girls' and boys' basketball, girls' volleyball, girls' and boys' soccer. 7th and 8th grade students may hold Associated Student Body Offices. California Junior Scholarship Federation (CJSF) and Club Live are also offered. Parents are encouraged to participate in the Egling Middle School Parent Club, School Site Council and our English Language Advisory Committee.

Egling Middle School Staff--Credentialed staff includes 29 full-time teachers including 4 special education teachers, 1 principal, 1 vice principal, 1 reading specialist, 1 math specialist, 1 speech teacher, 1 counselor and 1 part time school psychologist. Classified staff includes 1 administrative secretary, 1 attendance clerk, 1 after school program director, 3.5 EL instructional assistants, 4 instructional assistants, 7 special education instructional assistants, 1 library aide, 5 duty supervisors, 3 cafeteria and 4 custodial staff members.

The Egling Middle School community works cooperatively and continuously to fulfill our mission. High expectations are set for all students to maximize their potential. All students have the ability to learn and no student has the option to fail. Students needing help in achieving the Common Core State Standards receive support from the entire school community. The school environment is safe, positive and caring. The environment supports the uniqueness of upper elementary and middle school students. Students are respected and valued by the school community. All students are engaged in a rigorous, Common Core State Standards based curriculum. Strong exploratory and enrichment activities help students learn to make informed decisions. Instruction is differentiated to meet the learning needs of students with a wide range of abilities, allowing them to build upon their personal strengths. The school community understands and appreciates the diversity of our students in their talents, personal characteristics, language backgrounds, ethnic or racial heritage and cultural traditions.

Graduation Requirements -- Egling Middle School has a quarter grading system for 6-8th grades, trimesters for 4/5th grades. Students receive grade reports at 9 week periods. Parents may access students' grades and assignments online through our grade reporting systems, Aeries for 4th through 8th graders. Parent conferences are held in October-November for our 4th - 5th grade students, as well as on an as-needed basis. 6th through 8th grade students and parents at Egling Middle School meet our administration and teachers as needed throughout the year. 7th and 8th grade students must not receive any F grades through out the year to participate in promotion activities. A tutoring and grade make-up session is offered for those student who need to recover grades. A summer school program is also offered.

Academic Achievement -- 95% of the Egling Middle School 8th grade class of 2023 met the promotion requirement.

Daily Schedule: School begins at 8:13. 4th-8th grades' day ends at 2:45. 6th through 8th graders all classes are offered each day. 6th through 8th graders rotate through teacher-taught elective classes during 7th period.

Mission: Colusa Unified School District's mission to provide a safe, student-centered, high quality education for ALL students.

Vision: Colusa Unified School District's mission is to provide, in cooperation with our families, an excellent, well balanced education where all students gain skills necessary for success in an ever changing world.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Updated and readily available resources are important if students are to perform at their best in class. The State of California adopts textbooks that meet quality standards established by the State Board of Education. The Colusa Unified School District selects textbooks and other instructional materials from these state adoptions. Subjects are reviewed on a seven-year cycle. All of the textbooks currently in use meet these standards. They were selected to match the needs of Egling students by a Task Force comprised of teachers and administrators and approved by the State Board of Education. All students have state adopted texts and state approved intervention programs are being implemented.

## School Facility Conditions and Planned Improvements

Thanks to the Colusa voters and the passing of the school bond, Egling Middle School has a new fire alarm system and fire sensors. We have updated our phone and internet connections. Egling has received two new portable classrooms. New HVAC systems have been added to our portable classrooms and 200 wing. Our band room has updated storm windows and the floor has been renovated. Lights throughout the buildings have been upgraded to an energy efficient system. Our gym floor and our playgrounds are new as well. It is important that the facilities at our school reflect our pride and caring. We strive to maintain clean and beautiful grounds. Buildings and grounds receive regular maintenance. The district provides Egling 2 full-time day custodians and 2 part time custodian to meet our facility needs.

The Director of Maintenance and administrators identify long-term maintenance needs and determine when to schedule necessary repairs. Work identified as a major repair is handled through a district work-order process. Site custodians do minor repairs and maintenance such as painting and furniture upkeep. Emergency repairs are given highest priority. The administrators work with the custodial staff to develop a cleaning schedule to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

**B. Pupil Outcomes**

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement
<p>Parent involvement opportunities include field trip chaperones, classroom volunteers, fundraising, School Site Council, Parent Club, English Language Advisory Committee (ELAC), District English Language Advisory Committee (DELAC), and many athletic related opportunities. Local organizations and businesses support our activities throughout the year.</p> <p>Egling Middle School has an active Parent Club and ELAC which meet monthly. Parent Club is actively involved in fundraising and in educational activities. Our Parent Club facilitates opportunities for parents to become involved in our school activities and programs.</p> <p>Parents are encouraged to use our online student information system: Aeries for all students, which allows parents to monitor their student's progress. Teachers and administrators contact parents to discuss successes and areas of concern regarding students' academics and behavior. They work together to develop strategies to benefit students. Classroom teachers also use Parent Square for communication to families.</p> <p>A weekly bulletin is emailed home to inform parents of upcoming events.</p> <p>Parents are contacted and encouraged to attend our monthly 4th - 5th grade achievement assemblies recognizing the academic achievement of their students.</p> <p>Parent education nights are offered throughout the year.</p> <p>For more information on how to become involved, check out the Egling Middle School website or contact us at (530) 458-7631.</p>

## 2025-26 School Safety Plan

School safety is the highest priority at our school. Egling Middle School has a closed campus policy and all visitors are required to report to the office for permission to be on campus and receive a visitor's badge. All staff on campus wear school ID badges. We provide adequate adult supervision for the cafeteria, playground, and other areas immediately before and after school. The principal, vice principal, counselor and athletic director regularly assist with student supervision. Our After School Program is offered to all 4th - 8th grade students and runs at capacity. The program includes homework assistance, a healthy snack and extracurricular activities. The program supervises students from the end of the regular school day until 6:00 p.m.

The School Safety plan is updated annually in accordance with Senate Bill 187. The key elements of the plan include traumatic incidents, imminent danger procedure, evacuation/relocation procedure, civil defense/disorder, bomb threat/bomb emergency, earthquake, chemical spill, crime in progress, and fire/explosion. Drills are practiced monthly. The staff participates in emergency scenarios in order to maintain decision-making and communication procedures for a given emergency.

In conjunction with our District Attorney's Office all students are provided with internet safety training. The Colusa Probation Department facilitates our 7th and 8th grade Girls' Circle and Boys' Council. The Sheriff's Department provides the Drug Awareness and Resistance Education (DARE) for our 5th Grader. Annually, we hold a "Safety Day" where community services come to present on a variety of topics for prevention and safety purposes. Egling Middle School has random visits from Interquest Detection Canines.

## Professional Development

The district has increased its efforts in providing teachers with additional training needed to keep abreast of the changes in education. Staff development activities and training include implementation of Achievement Teams, data analysis of iReady and use of Aeries SIS/Parent Square.

As well, we have continued with the implementation of iReady as a benchmark assessment and individualized intervention program.

Our district has implemented teacher professional learning time every Wednesday afternoon when students are excused 30 minutes early. Teachers use this additional time to collaborate on instructional and curricular needs. We also have three training days before school that provide teachers with additional training in technology, curriculum and effective teaching strategies. Currently the District is preparing a district-wide professional development plan for multiple years.

This table displays the number of school days dedicated to staff development and continuous improvement.
