Coronado Unified School District
Local School Wellness Committee (LSWC)
Committee Meeting #1
School Year 2026-2027

October 15th, 2026

Agenda Items:

1. Pass out Wellness Policy Copies, Sign-In Sheet & Committee Introductions
    a. Brief overview of current Local Wellness Policy
2. Discuss the Local School Wellness Committee Goal for sy 26-27
3. To increase student and parent awareness of the health, quality, and benefits of the school meal program.
    a. Why?
        1. To increase awareness of the quality and benefits of school meals, and to increase student consumption of high quality and nutritious meals to support growth, development, and academic success. Measured by an average of 3–5% overall increase in meal participation when compared to the previous school year.
        2. To strengthen connections with families and the school community through increased engagement at events (e.g., registration, back-to-school) and improved communication reach metrics.
    b. Specific goals:
        i. Implementation of second chance breakfast cart at Village Elementary to raise awareness of the meal program.
        ii. Implementing a "Myth vs Fact" Campaign
        iii. Expand outreach through school communication channels
        iv. Hosting taste Tests and Engagement Activities
            1. National School Lunch Week Passport to Flavor Event
        v. Promoting of new menu items by KCMS and CHS students to increase interest – food videos, announcements
        vi. Launching the "Tell our Story" Campaign
    c. Task allocation within the LSWC to meet goals.
    d. Set a date for committee meeting #2 (2nd week of December).
