SCHOOL BOARD NEWS

Thank you Rhonda Peek!!

Just a couple of months ago Rhonda Peek stepped down from the Cottonwood Creek Charter School Board which ended over 15 years of service to our school as either a Board Member or Parent Club President. As Cottonwood Creek was just getting started back in 2010-2011, Rhonda put together the first Parent Club for our school. As Parent Club President, Rhonda served from 2011-2020. Through Rhonda's leadership, our Parent Club became what it is today, an invaluable group of parents dedicated to enhancing the Rattler Family and our school campus.

In 2020, with the graduation from Cottonwood Creek of her son, Mason, Rhonda stepped down from being Parent Club President and joined the School Board. Since then, Rhonda has been an invaluable Board Member providing leadership and support to our school community.

The entire Rattler Family would like to thank Rhonda Peek for being a dedicated parent and board member for Cottonwood Creek since the beginning of our school!

Thank you Rhonda!!

Welcome to the School Board Kelli White!!

Last month the Cottonwood Creek Charter School selected Kelli White as a Parent Representative on the School Board. The Board received a number of highly qualified applications and they are very appreciative to those individuals who inquired and applied to be on the board.

Kelli is a parent of two girls here at Cottonwood Creek and she brings a strong educational background to our school board. She and her husband, Jason, have been serving the Cottonwood Community for many years as physical therapists. The White Family has been part of the Rattler Family since 2017 and Kelli is excited to serve Cottonwood Creek as our new board member.
