- AND MORE

No judgment. No cost. Come check it out in Ms. Mac's room, 507!

This year we will have an option to attend Driver's Ed training on campus. If you're interested in taking the first steps in learning how to drive, consider stopping in to our drivers ed afterschool program.

The online course we'll be completing together costs \$28 dollars to sign up. We will be meeting in room 209 from 2:15-4:15 on the second Wednesday of every month, and will walk through every step of the process from payment to you receiving your pink permit.

Start the year off right by buying your ASB sticker in the hallway at lunch. ASB stickers are \$50 and they get you into all home volleyball, basketball, and football games for free. They also get you discounted tickets for dances and discounts at away games!. They pay for themselves after a few games! Be sure to get yours before the home volleyball game on Thursday!

In the new science quad there are ping pong and cornhole games. If you want to use them please see Rasma in the library for the paddles and bean bags.

TODAY leadership is hosting a FREE BBQ lunch outside the new science classrooms. Everyone is invited to get free burgers, listen to music, and play games with friends!

Our first home volleyball game is TONIGHT and we want the Dawg Squad packed! All freshmen get in free tonight. Everyone is going to the game and after, we're all coming back to campus to play a schoolwide game of hide and seek! Come hang out with friends and play for a chance to win some cool prizes. See you all there!

September is Suicide Prevention Awareness Month. This month, we want everyone at GHS to remember something simple: you matter, and you belong here.

You never really know what someone else may be going through. A smile, saying hello, inviting someone to sit with you, or simply asking, "How are you doing?" can mean more than you realize.

Take care of yourself, look out for each other, and remember: You matter at GHS.
