

WUSD SCHOOL BOARD REPORT

Julie Carriere | Director of Community Schools, CTE & ELOP | LTIS Oversight

October 8, 2026 Board Meeting | Reporting Period: September 1–October 1, 2026

ELOP / SPARK

- Completed the September 12 MOSAC field trip with 42 students and six adults. Museum exploration and the Planetarium provided hands-on STEM learning beyond the school day.
- Launched the 10-week LIFT culinary and nutrition program at Murdock and WIS. LEGO Education training and new STEM materials are supporting expanded enrichment. Fall-break intersession programming was provided September 28–29.
- Developed the teacher-led enrichment club guide and application, with initial three- and six-week sessions planned. Strengthened curriculum organization and supply checkout. The ELOP expenditure report was submitted ahead of the deadline.
- We had a successful 2-day intersession camp with soccer in the morning and a life skills camp in the afternoon. We had over 45 students.

CAREER TECHNICAL EDUCATION (CTE)

- Continued CTEIG purchasing and expenditure oversight. CDE confirmed support for CTE-coded Ag Science courses, provided prior district-funded support is maintained. Reviewed course coding and facility/equipment requests for grant alignment.
- Secured the venue and catering for the October 13 Districtwide CTE Advisory Meeting. Teachers are recruiting industry representatives to strengthen pathway planning and workforce connections.
- Explored GCOE's Career Days partnership, including continued eighth-grade programming and a proposed junior Career Day. Reviewed Dual Enrollment Grant Round 4 opportunities and continued industry-certification planning.

LONG-TERM INDEPENDENT STUDY (LTIS)

- We have 15 students currently in LTIS. Continued high level communication with counselors and school sites.
- Continued weekly attendance and academic-progress monitoring. Held re-engagement meetings and established follow-up through the October 9 quarter cutoff for students with insufficient participation.
- Worked with Subject and district staff on course rigor, grading, and academic-integrity safeguards. A shared student tracker supports coordinated oversight of placement, coursework, and engagement.

COMMUNITY SCHOOLS / CCSPP

- Created and shared the 2026–27 CCSPP dashboard and data-collection framework to track attendance, wellness services, family engagement, partnerships, outcomes, and expenditures.
- Continued biweekly Wellness Coach collaboration and NVIH coordination. Murdock began recording student contacts and expanding Morning Club and SEL activities.
- Completed the Community Schools EMPOWER Summit and developed implementation next steps. Continued family-engagement learning and review of ongoing-funding/opt-in requirements.

UPCOMING EVENTS / KEY DATES

October 6: CTEIG expenditure meeting • October 9: Round 11 expenditure report and Dual Enrollment webinar •
October 13: CTE Advisory, 6–8 p.m., Red 88 • December 31: CTEIG Round 10 spending deadline
