

THE DAILY DAWG

Winter Sports Come to an End

The boys soccer team once again beat the Orland Trojans with a score of 2-1 to win the section title. The two goals were scored by Nery Martinez and Cesar Alvarez with an assist by A.B. Lopez. The boys soccer team is back-to-back champions - congratulations Bulldogs!!

Following their section championship win, the boys had to go to Winters for their state playoff run. While the team lost, we're proud of all they accomplished this season.

Boys basketball also came to a close after their close loss on Tuesday. The boys lost 65-60 against Sonoma Academy in Santa Rosa. However, before their season ended, Bikram Kullar scored over 1,000 career varsity points - a feat few players have been able to accomplish in their high school career. Great job Bulldogs on another successful season.

Read Across America

Read Across America was held this Monday! Read Across America is a national celebration event that's held on Dr Seuss' Birthday to encourage children to read more and promote literacy in schools. We had several Leadership students along with the fire and police departments head to Wilson and McKinley to read to the children. They read books such as "One Fish, Two Fish, Red Fish, Blue Fish" and "Go Dog Go".
