Athletics/Sports

Girls Soccer: Girls Soccer tryouts are over, but if you are a freshman or sophomore, there is still a chance to play! We still have a few spots available on JV Girls Soccer for those interested. If you have ever thought about playing soccer, if you played when you were little and want to pick it back up, or if you are looking to try a new sport, get your blue card in order and come out to practice and we can see if it is a good fit for you! We train from 4-6pm every afternoon on the football/soccer field and we hope to see you out there!
