Win! We have a completely new set up for our **lactation room** thanks to the hustle of Steve Permann.

Win! I'm grateful for the **staff who are volunteering** to covering for staff who need to use the lactation room .

Win! We are proud to continue our work to add to our **essential standards** for ELA, Math, & Writing for every grade level. This is the foundation of our Guaranteed and Viable Currulium. These are our boulders, that we PLC with, and intervene for every student.

Win! Grateful for our new librarian, Katie – she's leading with heart. Students are excited to visit the library, enjoying quick activities tied to her read-alouds, book talks, and peer conversations about what they're reading. *This is connection before content in action – she's building relationships with books, which builds relationships with reading.*

Win! I received great responses from our **community & families** when I asked for any opportunities to spoil our teachers... we have already received a stocked staff counter, a flavored RedBull Bar, and 2 gift cards for raffle. I have also been given plans for the next couple of months too. Love this community!

Win! Our behavior staff, school counselor Sara, and I make a great team supporting our littlest Mallards experiencing school for the first time. *We're showing our newest students, from day one, that this is a safe place – that's the whole heart of our Capturing Kids' Hearts training.*

Win! Attendance incentives will be happening monthly. (Activities and treats that correltat with the season.) Also surprise attendance rewards are in place as well.

Win! We have a new way for our staff to recognize our Mallards and celebrate the respectful, responsible, & safe students at our school. See the following link. Rolling Out Character Recognition & <https://canva.link/ncl0sjkq1xycck0>

Win! I met with every student in grade level meetings, in their halls. We went over our school rules, what our school expectations are, questions, as well as everything we have to celebrate! Every teacher was given an extra 30-minute prep while I met with the students.

"It's a Great Day to be a Mallard!" Please let me know if you have questions.
