

AGENDA

I. OPEN SESSION

This two-day Strategic Planning Workshop on October 5 and 6 is part of a collaborative, community-informed process to develop EDUHSD's five-year strategic plan. The workshop will bring together trustees, district leaders, educators, students, parents, and community partners to identify shared priorities for the District's future.

Participants will examine current district practices and data, identify strengths and challenges across five focus areas, and engage in structured dialogue about opportunities for improvement. No formal action will be taken during this workshop.
