Sierra Unified Community,

I hope each of you had a wonderful and restful break surrounded by family, friends, and those who matter most. As we return to campus, we are entering an important stretch—just two short weeks remain until Winter Break.

These next weeks are critical for our students. This is the time when consistent effort, focus, and strong attendance make a tremendous difference as we work to finish the semester successfully. Every day in class matters. When students are present, they have the best opportunity to engage with their learning, stay on track, and reach the goals they have set for themselves.

Thank you for your continued partnership and support. Together, we create the strong learning environment our students deserve. Your involvement, encouragement, and collaboration are essential to the success of each child in Sierra Unified.

We look forward to a positive and productive finish to the semester.

Warmly,

Dr. Lori Grace  
Superintendent, Sierra Unified School District
