

E-RATE Year 29 (2026-2027)

REQUEST FOR PROPOSAL

Red Bluff Union Elementary School District

Form 470 # 260019622

RFP No. 2025-03

REQUEST FOR PROPOSAL

Wide Area Network

Addendum No. 1

Date: February 18, 2026

THIS AMENDMENT IS ISSUED AS ADDITIONAL INFORMATION AND/OR CLARIFICATION AS A RESPONSE TO REQUESTS FOR INFORMATION

REQUEST FOR INFORMATION:

- Q. Can you please confirm that for the Point to Point option the A location for all school sites to connect to will be: Tehama County Department of Education (TCDE), located at 1135 Lincoln Street, Red Bluff, CA 96080
- A. Yes, please see the following clarification for the point to point connection option in the Wide Area Network Requirements section in the RFP:
"RBUESD is requesting separate proposals for both a PTP configuration (each site connects directly to **Tehama County Department of Education (TCDE), located at 1135 Lincoln Street, Red Bluff, CA 96080** – dedicated ethernet products are preferred), and also a multipoint configuration (each site connects into a shared network - i.e., EPL, EP-LAN and E-Tree based services, but NOT EVPL, EV-LAN or EV-Tree based services)."
