 No sweeping due to Holiday or Leaf Collection (routine sweeping is suspended during Leaf Collection)

Instructions: Look at the map to identify your route and weekday, then use this calendar to match the route number with the day. For example, if you are in a "C-2 MON" zone, then your street would be swept on the Mondays that we are running the C-2 Route.

Public City streets with paved shoulders and established curbs are swept according to the schedule above. Every year, the City of Chico Public Works Department helps keep our streets, storm drains, and waterways clean and safe by removing over 5,000 cubic yards of material from the roadway through street sweeping operations. You can help by moving vehicles out of the street on your scheduled sweeping day.
