How often will the Committee meet?

The Committee is required to meet at least one time per year, or more frequently as it deems necessary to fulfill its duty. Committees typically meet 2-3 times per year. Specific meeting dates will be determined by the Committee, upon the advice of the District based on project timing. Committee members will be appointed by the Board of Trustees to serve an initial two-year term. A maximum of three consecutive, two-year terms is allowed under the law.

How will the Committee be selected?

The Board of Trustees will select the Committee taking into account the applicant's professional and/or practical experience, the applicant's recognition in or contribution to his/her community, the diversity of experience on the Committee as a whole, and representation on the Committee from various communities within the district.

What else should the applicant know?
