SUPERINTENDENT'S REPORT:

- * Ms. Cain reported that at the Siskiyou Union High School Board Meeting, they do what is called a consent agenda. She explained the process and asked the board to think about it for future board meetings.
- * Ms. Cain reported that our 2023/2024 audit has been finalized. We had a couple of areas that we were called out for corrections.
- * Ms. Cain gave an update about the school van. We still need to get insurance and DMV exempt plates. Van should be ready in about a month.
- * Ms. Cain informed the board that the Horseman's intend to organize a fundraising event for the 8th-grade trip, with a goal of \$2,000. She expressed her appreciation for their generosity.
- * Ms. Cain informed the board that the Siskiyou Union High School District (SUHSD) has proposed relocating McCloud High School students to our campus in the future. The SUHSD intends

to finance necessary renovations to the designated area to facilitate this transition, and they are exploring leasing the high school building to an external entity due to declining enrollment rates. We would maintain access to the gymnasium for sporting activities, PE and assemblies.
