

Evaluating Your Foreign Transcripts & Diplomas

Evaluating your foreign transcripts is the first step toward earning your High School Diploma at Woodland Adult Education. To see which previous credits can transfer over to our program, your foreign academic documents must be translated into English and evaluated by an approved professional service.

Step 1: Get a Certified English Translation

If your transcripts are in a language other than English, you must get a certified translation before they can be evaluated for school credit.

- **No Self-Translations:** You cannot translate your own transcripts, even if you are fluent in English.
- **Word-for-Word Format:** The document must completely match your original transcript layout, translating all text, grades, and official stamps.
- **Certificate of Accuracy:** Your final document must include a signed affidavit or "Certificate of Translation Accuracy" from a professional translator.

- **AICE Members:** You can select any evaluation provider registered within the official [AICE Member Directory](#).

Step 3: Follow the Transfer Process

1. **Gather Your Records:** Get official, sealed academic transcripts from your home country.
2. **Select "Course-by-Course":** When ordering your evaluation from a NACES or AICE agency, make sure to request a "**Course-by-Course**" evaluation so we can see your individual subject credits.
3. **Submit to Woodland Adult Ed:** Bring the official, finalized evaluation report directly to our registrar to find out how many credits apply to your diploma.
