

Policy 0420.41: Charter School Oversight

Status: ADOPTED

Original Adopted Date: 10/01/2013 | **Last Revised Date:** 06/01/2025

Last Adopted Date: 10/15/2025

The Governing Board recognizes its ongoing responsibility to oversee that any charter school authorized by the Board is successfully fulfilling the terms of its charter.

The Superintendent or designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Superintendent or designee shall visit each charter school at least annually and may inspect or observe any part of a charter school at any time. (Education Code 47604.32, 47607)

The Superintendent may designate someone to attend meetings of the charter school governing body whenever possible.

Monitoring Charter School Performance

Any charter school authorized by the Board shall be monitored by the Superintendent or designee to determine whether the charter school complies with all legal requirements applicable to charter schools, including all reports required of charter schools by law, as specified in Education Code 47604.32. Any violations of law shall be reported to the Board.

The Superintendent or designee and the governing bodies of charter schools authorized by the Board shall review new laws and regulations applicable to charter schools.

The Board shall monitor each charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both schoolwide and for each numerically significant student subgroup served by the school as defined in Education Code 52052. This determination shall be based on the measures specified in the approved charter and any applicable memorandum of understanding (MOU), and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard.

The Board shall monitor the fiscal condition of the charter school based on any financial report or information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, LCAP and annual update of the charter school's LCAP, first and second interim

financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

Waivers

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the Board approve and the district submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall submit such a waiver request to SBE on behalf of the charter school.

Provision of District Services

Upon approval by the Board of an appropriate agreement, the charter school may contract with the district or any other source for administrative or other services. (Education Code 47613)

Whenever the district agrees to provide administrative or support services to a charter school, the district and the charter school shall develop a MOU, which clarifies the financial and operational agreements between them.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The district may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the district as a condition for creating and submitting these reports. (Education Code 47611.3)

Location of Charter Schools

Except when permitted to operate outside district boundaries pursuant to Education Code 47605 and 47605.1, a charter school shall be located within district boundaries.

Fees/Charges for Supervisorial Oversight

The district may charge for district supervisorial oversight as follows: (Education Code 47613; 5 CCR 11969.7)

1. Actual costs up to one percent of the charter school's revenue
2. Actual costs up to three percent of the charter school's revenue if the district provides the charter school substantially rent-free facilities

If the district provides the charter school with facilities under Education Code 47614 and charges the charter school a pro-rata share of the facilities costs calculated pursuant to 5

CCR 11969.7, the district may only charge the charter school for the actual costs of supervisory oversight up to one percent of the charter school's revenue.

3. Actual costs if the district is assigned supervisory oversight responsibility for the charter school by SBE when authorized on appeal

Technical Assistance/Intervention

Whenever a charter school is identified for technical assistance based on the performance of one or more numerically significant student subgroups on SBE-established criteria, the charter school shall receive technical assistance from the County Superintendent of Schools. Such technical assistance shall be focused on building the charter school's capacity to develop and implement actions and services responsive to student and community needs, including, but not limited to, any of the following: (Education Code 47607.3)

1. Assisting the charter school to identify its strengths and weaknesses in regard to the state priorities applicable to the charter school pursuant to Education Code 47605(c)

This shall include working collaboratively with the charter school to review performance data on the state and local indicators included in the California School Dashboard and other relevant local data and to identify effective, evidence-based programs or practices that address any areas of weakness.

2. Working collaboratively with the charter school to secure assistance from an academic, programmatic, or fiscal expert or team of experts to identify and implement effective programs and practices that are designed to improve performance in any areas of weakness identified by the charter school

Another service provider, including, but not limited to, a school district, county office of education, or charter school, may be solicited to act as a partner to the charter school in need of technical assistance.

3. Obtaining from the charter school timely documentation demonstrating that it has completed the activities described in Items #1 and 2 or substantially similar activities, or has selected another service provider to work with the charter school to complete the activities described in Items #1 and 2 or substantially similar activities, and ongoing communication with the Board to assess the charter school's progress in improving student outcomes

In addition, if, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more numerically significant student subgroups, or for all of the student subgroups if the school has fewer than three subgroups, in regard to one or more state or school priorities identified in the charter, the County Superintendent may request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074. (Education Code 47607.3; 52072)

In accordance with law, the Board may deny a charter school's renewal petition or may revoke a

charter based on the charter school's poor performance, especially with regard to inadequate academic achievement of all numerically significant subgroups of students served by the charter school. (Education Code 47607, 47607.2)

Complaints

Each charter school shall establish and maintain policies and procedures in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4670 to enable any person alleging the school's noncompliance with Education Code 47606.5 or 47607.3 to file a complaint with the charter school. (Education Code 52075)

A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

School Closure

In the event that the Board revokes or denies renewal of a charter or the charter school ceases operation for any reason, the Superintendent or designee shall, when applicable in accordance with the charter school and/or an applicable agreement between the district and the charter school, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out of the charter school.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, if renewal of a charter is denied, a charter is revoked, or a charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)

A charter school shall be subject to the terms of its charter; any memorandum of understanding between the school and the district Governing Board; the state and federal constitutions; applicable federal laws; state laws that apply to governmental agencies in general; and other legal requirements that are expressly applicable to charter schools, including, but not limited to, the following requirements.

Governance

1. Comply with the Ralph M. Brown Act (Government Code 54950-54963), California Public Records Act (Government Code 7920.000-7930.215), conflict of interest laws (Government Code 1090-1099), and Political Reform Act (Government Code 81000-91014), including the adoption of a conflict of interest code pursuant to Government Code 87300 (Education Code 47604.1)
2. In addition, a two-way teleconference location shall be established at the school site and/or resource center, as applicable. (Education Code 47604.1)

3. The charter school's executive director or any of the charter school's employees shall not serve as a member of the county board of education in the county where the charter school is located (Education Code 1006; Government Code 1099)
4. If the charter school is attended by high school students and the governing body receives student petition to appoint a student member to the governing body, appoint one or more student members in accordance with Education Code 47604.2

5. The governing body is required, by July 1, 2026, to develop, in conjunction with students, parents/guardians, and charter school employees, adopt, and update every five years, a policy to limit or prohibit student use of smartphones while at a school site or under the supervision and control of charter school employee(s) (Education Code 48901.7)
6. On or before July 1, 2026, develop, adopt, implement and annually review weather protocols for extreme weather conditions

The weather protocols shall incorporate the standardized guidelines compiled by the California Department of Education (CDE) and detail the specific measures to be taken during extreme weather conditions in accordance with Education Code 33355.

7. Members of the governing body complete ethics training in accordance with Government Code 53234-53235.2 by January 1, 2026 and at least every two years thereafter
8. If the governing body is unable to review local indicator data due to any emergency specified in Education Code 46392, the local indicator data shall be reviewed at the next meeting of the governing body, and a resolution describing the emergency event and the date on which the local indicator data was reviewed shall be adopted and submitted to CDE (Education Code 52064.5)
9. Develop a plan for offering independent study to affected students pursuant to Education Code 46393 if the governing body submits an affidavit to the Superintendent of Public Instruction (SPI) pursuant to Education Code 46392 necessitated by an emergency condition that resulted in a school closure (Education Code 46392, 46393)
10. Adopt a policy on suicide prevention, intervention, and postvention for grades 7-12, and an age-appropriate policy for grades K-6, and review the policy at least every five years (Education Code 215)

Operations

11. Not be operated as, or be operated by, a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization (Education Code 47604)
12. Be nonsectarian in its programs, admission policies, employment practices, and all other operations (Education Code 47605)

Admission/Enrollment

13. Adhere to all laws establishing the minimum age for public school attendance (Education Code 47610)
14. Serve students who are California residents and who, if over 19 years of age, are continuously enrolled in a public school and making "satisfactory progress" toward a high

school diploma as defined in 5 CCR 11965 (Education Code 47612)

15. Serve students with disabilities in the same manner as such students are served in other district schools (Education Code 47646, 56145)
16. Admit all students who wish to attend the charter school, according to the following criteria and procedures:

- a. Admission to the charter school shall not be determined according to the student's or parent/guardian's place of residence within the state, except that any existing public school converting partially or entirely to a charter school shall adopt and maintain a policy giving admission preference to students who reside within that school's former attendance area (Education Code 47605)

If a charter school will be physically located in a public elementary school attendance area in which 50 percent or more of the student enrollment is eligible for free or reduced-price meals, it may also establish an admission preference for students who are currently enrolled in that public elementary school and for students who reside in the public school attendance area. (Education Code 47605.3)

- b. If the number of students who wish to attend the charter school exceeds the school's capacity, attendance shall be determined by a public random drawing, with preference extended to students currently attending the charter school and students who reside in the district, except as provided for in Education Code 47614.5 (Education Code 47605)
- c. Other admission preferences may be permitted by the Board of the district on an individual school basis consistent with law

Preferences shall not result in limited enrollment access for students with disabilities, academically low-achieving students, English learners, neglected or delinquent students, students experiencing homelessness, foster youth, students who are economically disadvantaged, or on the basis of nationality, race, ethnicity, or sexual orientation. Mandatory parental volunteer hours shall not be the basis of a preference or a criterion for admission or continued enrollment. (Education Code 47605)

17. Not discourage a student from enrolling or seeking to enroll in the charter school, nor encourage a current student from disenrolling, for any reason, including, but not limited to, the student's academic performance, nationality, race, ethnicity, or sexual orientation or because the student is a student with disabilities, academically low achieving, an English learner, neglected or delinquent, experiencing homelessness, economically disadvantaged, or a foster youth

The charter school shall not request or require a student's records to be submitted before enrollment. The charter school shall post on its website CDE's notice of these requirements and shall provide the notice to parents/guardians or students age 18 and older when the parent/guardian or student inquires about enrollment, before conducting an enrollment

lottery, and before disenrollment of a student. (Education Code 47605)
