Please stand for the Pledge of Allegiance:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands: one Nation under God, indivisible, with Liberty and Justice for all.

INFORMATION:

Welcome to Avatar Spirit Week!
Our Dress Days are as follows:
Monday (2/2)-**Sky People Day** (Camo/Military-just like the humans from Earth)
Tuesday (2/3)-**Spirit of Pandora** (Twin Day-the Na'vi are strongest when they are connected)
Wednesday (2/4)-**Trip to Pandora** (Dress as a Tacky Tourist visiting Pandora's ocean waters)
Thursday (2/5)-**Lights of Pandora** (Neon Day-glow like the forests of Eywa)
Friday (2/6)-**Tribes of Pandora** (Frosh Water-Blue/Sophomores Air-White/Juniors Forest-Green/Seniors Fire-Red)

Attention Sophomores and Juniors: TOMORROW (1/3) we will be hosting our annual ROP Preview Day in the Small Gym. Students will have the opportunity to meet ROP instructors and learn about the classes they offer. Instructors will share information about course content, hands-on learning opportunities, and how ROP classes can help students explore career paths and earn valuable skills for the future (see pages 7 and 8).

Get ready for a night in Pandora, our winter homecoming dance, happening this Friday (1/6), from 9 PM to 12 AM in the PAC. We have a DJ and a food truck booked for the night. Tickets are on sale now in the Perch, in the quad at lunch, and on our school website. Don't miss one of the biggest nights of the year! You will pick up tickets at student store once all fees & fines are cleared. Dance tickets cost $20 with ASB, $25 without, and $40 at the door.

Next month Eagle Vision will be having a 'Be Kind' movement by offering Cookie Grams for Valentine's day. Students can purchase during lunch hours in Eagle Vision from February 4th-11th and delivery will be to students in their class on Feb 13th. (See page 3)

Track and Field Athletes – Preseason track and field practice is taking place on Monday, Wednesday, and Friday for those who are not participating in a winter sport. Practice is from 3:00-4:30pm. All are invited. Official team practice will begin once we return from Winter break on February 23.

Seniors: Our next Sober Grad meeting will be this Thursday (1/5), 6pm, in the West Valley Library (see pages 5 and 6).

STAY CLASSY WEST VALLEY!

38th Annual 2026 SACS Dinner Dance

GO BIG BLUE!
Bob, this one's for you!

Saturday, February 21, 2026

The SACS (School and Community Solidarity) Committee is seeking your help with donations for our 38th annual School dinner dance. This is not a fundraiser, but an opportunity for the AUHS District Employees and the Community to mix and mingle in a purely social setting.

Any type of donation would be greatly appreciated. We anticipate 400 people will attend our event; and your donations will help us to have a successful event. The event has been a huge success over the years and donations from different local organizations have contributed greatly to the success.

Thank you very much for your consideration,

SOBER GRAD INFORMATION

Seniors and Families: Our shirt fundraiser is underway!
Please fill out one order form per shirt. Orders due by Feb. 13.
See form and email for details. https://docs.google.com/forms/d/1XjauomF5-rdtKRJow0COAy-HRPPrsXFvnc5rcnlhyzU/viewform?edit_requested=true

Certificate sales drawing will take place before February break.
For every certificate sold, the student earns one entry into the drawing. A $50 gift card will be awarded. Students who sell certificates will also be entered into a special prize drawing the night of Sober Grad.

Guests will be allowed at Sober Grad—more details coming soon.
To have a guest attend for free, a student must sell at least 2 certificates.
If this requirement is not met, the guest entry fee will be $100.

Next Meeting our next Sober Grad meeting will be:
February 5th
6:00 PM
Library

- **$100** guest fee if requirement is not met.

Next Meeting

- **February 5th**
- **6:00 PM**
- **Library**

Thank you for supporting Sober Grad!

More details coming soon!

Cybersecurity, Minecraft & 2D Game Programing

Hack. Build. Create.

This course lets students turn their interest in games into real skills. Students learn how coding and cybersecurity work together, including how hacking happens and how systems stay secure. They then use those skills to design and build games using Minecraft and 2D game development tools.

This class is hands-on and project-based. Students write code, create interactive games, and develop problem-solving skills used in technology and game-related careers.

Yes — Minecraft is part of the class.

- Scan the QR code to learn more
- Talk to your counselor about ROP electives

2D Game Development & Minecraft
is part of the Cybersecurity pathway in partnership with ROP

*Students must arrange transportation for this class.

SHASTA-TRINITY
REGION OCCUPATIONAL PROGRAM

COMPUTERS & DIGITAL MEDIA

NETWORK ADMINISTRATION
The Internet Behind the Scenes

This class shows you what's really going on behind the internet you use every day. You'll build and manage networks, set up Wi-Fi, and figure out why connections break (and how to fix them). Learn how things work behind the scenes — gaming, streaming, or apps.

Computer Essentials A+ & Digital Media
Learn It. Then Create It.

Learn how the technology that powers everyday life really works — then use it to create. In this class, you won't just sit and watch tutorials. You'll take computers apart, build them back up, and fix real problems. You'll also learn how lighting works, film and edit videos, and create commercials for social media, advertising, and the web using the same tools professionals use. It's the perfect mix of tech skills and creativity.

Cybersecurity, Minecraft & 2D Game Programing
Hack. Build. Create.

Learn how hackers think — and how to stop them. You'll explore real cybersecurity concepts, then jump into coding using Minecraft and 2D game development tools. Build games, write code, and learn how systems stay secure. This course combines cybersecurity concepts, ethical hacking, and coding in a fun, hands-on learning environment.

Yes — Minecraft is part of the class.
