

LONG TERM GOALS

To increase CUSD's overall English Language Arts and Math achievement and lower performance gaps between student demographic subgroups as identified by race/ethnicity, language ability, socioeconomic status and ability.

To increase the students' sense of connectedness and reported feelings of safety in their school communities. To reduce differential gaps between schools and/or demographic subgroups of students in CUSD.

To create systems of two-way engagement with the CUSD community, and to center sites as the main providers of community information and support throughout CUSD. To build community trust in CUSD decisions through ongoing dialogue and commitment to transparency.

To continue to maintain facilities while maintaining the District's fiscal health and to work to build broad based support for future bond efforts to rebuild and modernize aging facilities.

OUR MISSION

To prepare our students to meet the challenges of a rapidly changing world.

OUR VISION

An unwavering commitment to student success
