

BIKE AND PEDESTRIAN SAFETY NEWS

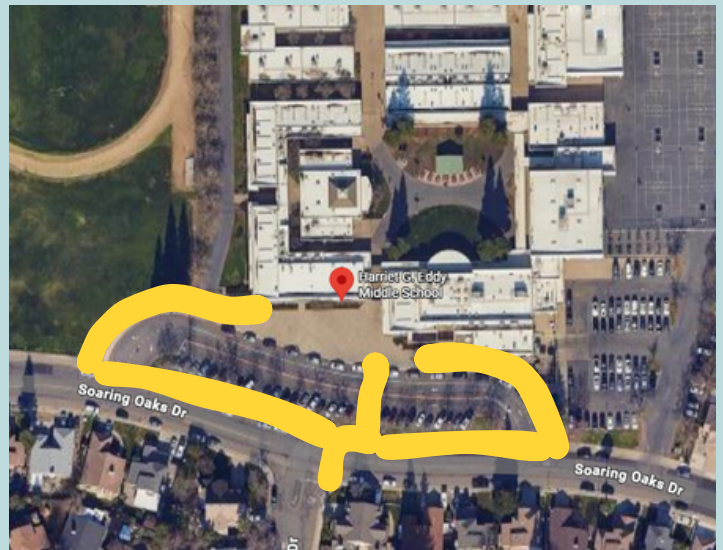

Harriet Eddy Middle School

SEPTEMBER 2025

PEDESTRIAN SAFETY MONTH

September is Pedestrian Safety Month in California, a time dedicated to raising awareness about keeping everyone safe on our roads, especially students walking to and from school. As kids head back to class, it's important for both drivers and pedestrians to stay alert and follow traffic rules. Parents can help by reminding their children to use crosswalks, make eye contact with drivers before crossing, and avoid distractions like phones while walking. Let's work together to keep our middle schoolers safe and confident as they travel each day!

USE THE SAFEST ROUTE

Follow the yellow lines to use crosswalks, sidewalks and paths to arrive and depart campus safely.

Drivers: Be aware of students arriving to school on foot or wheels.

Students: Avoid walking through the parking lot or the drop off/pick up lane.

WHAT IS FRIDAY NIGHT LIVE?

Friday Night Live (FNL), formerly Club Live at the middle school level, builds partnerships for positive and healthy youth development which engage youth as active leaders and resources in their communities.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
