

## ***In a Competitive World . . . Give your Child the Edge***

Many of the jobs your children will be seeking have not been invented yet. How will they compete for them? How will they create them? Will they be ready? Are we willing to do what is necessary to make that happen?

We must instill in our children the reality that the competition for human talent between universities, between companies, and between nations is the next frontier of global excellence and economic prosperity.

## ***The Difference Is REAL***

North Idaho STEM Charter Academy will provide a rigorous and relevant approach to preparing students for success through a project-based approach to Science, Technology, Engineering and Math.

As a School of Choice, this Academy is a school that students and parents ***choose*** to attend. This choice involves an acceptance of the school mission, goals, policies, and procedures; and a commitment to support them.

## 2026-27 New Student Application Form

15633 N. Meyer Rd.  
Rathdrum, ID 83858  
Office (208) 687-8002  
info@northidahostem.org

To apply, please complete the following application for each child. ***This is a Form Filler. No Hand Written Applications. Signed and completed applications may be mailed, emailed, or dropped off at the office.*** Every question must be answered. False or inaccurate information may result in this application and subsequent enrollment being rescinded and/or invalidated. Once your child is accepted for admission, an enrollment packet will need to be completed.

State Law requires that an equitable selection process, such as a lottery, be held to determine who will be enrolled if more students apply than there are openings at any grade level. North Idaho STEM Charter Academy will hold a lottery in the Spring to determine placement on the waiting list for all grade levels. More information on these admission procedures are at [www.stemcharter.org](http://www.stemcharter.org) under the Parents tab. The Academy does not discriminate on the basis of disability in our admission policy, or in providing access to programs or activities to students.
