

Proposition 28: Arts and Music in Schools Funding Annual Report Fiscal Year 2024–25

Name:

County-District-School (CDS) Code:

Allocation Year: 2023–24, 2024–25

1. Narrative description of the Proposition 28 arts education programs funded (2500 character limit).

With the support of Proposition 28 funding, West Park Elementary School successfully launched new band and choir programs for all students in grades PreK through 8. This initiative ensures that every student, regardless of age or background, has access to quality music education during the school day.

Our band program introduces students to rhythm and melody in the early grades using age-appropriate instruments, then expands to full band instruction, including brass, woodwinds, and percussion, for students in grades 3 – 8. Students receive regular instruction, rehearse in ensembles, and participate in performances throughout the year.

Our choir program engages all grade levels in vocal music, starting with foundational singing activities in PreK and building toward multi-part choral performances in the upper grades. Students learn vocal technique, music literacy, and the joy of performing together as a unified group.

Thanks to Proposition 28, music is now a central part of our school culture. The program has enhanced student engagement, supported creativity, and built a stronger sense of community across grade levels.

2. Number of full-time equivalent teachers (certificated) providing arts education programs with Arts and Music in Schools (AMS) funds

3. Number of full-time equivalent personnel (classified) providing arts education programs with AMS funds

4. Number of full-time equivalent teaching aides providing arts education programs with AMS funds
