Dear Griffin Family,

Welcome to McGarvey for the 2025-26 school year! We're glad you're part of our Griffin family!

McGarvey follows a year-round calendar with 4 different tracks. You can find the calendar for the 2025-26 school year on the district website at <http://egusd.net>.

In grades 1-6, school starts at 9:05 and ends at 3:35 – except on Thursdays and track-change days. Every Thursday is early-out and dismissal is at 2:45. Track-change days occur about once a month and dismissal is at 1:35.

Due to staffing assignments for the new school year, your child may have been moved to McGarvey and/or onto a new track. Students are assigned to schools and tracks based on available space and the date students were registered.

As of this date, your child's grade level and track assignment have been communicated by email. In early July we will communicate again with the name of your child's teacher.

Enrollment at McGarvey is increasing substantially in 2025-26. Many of our new students come from outside our attendance area, and nearly 300 students will be in TK or Kindergarten. To ease the traffic around the school at arrival and dismissal times, we encourage our neighborhood families to walk or bike to school. Let's work together to reserve car traffic for those families who live farther away and for our littlest Griffins. Please look for more information coming soon about Walk & Bike Trains and consider volunteering to lead a walking or biking caravan to/from school.

Please make a note of the following important updates and mark your calendars!

Want to name the new school?

As you know, a new elementary school in our neighborhood is planned to open for the 2026-27 school year. We're calling it 'Grantline 208' for now, but that won't be its forever name. Do you have a good idea for a name?

The Elk Grove Unified School District is seeking recommendations for names of schools currently in development. When submitting suggestions, please consider the following guidelines: elementary schools should reflect the district's cultural diversity or honor individuals or places significant to local history or education. BEFORE & AFTER SCHOOL

Dear Robert McGarvey Families,
We are thrilled to extend a warm welcome to you and your child to join our EXL Programs! Our goal is to provide a safe, nurturing, and enriching environment where children can thrive academically, socially, and emotionally. Our EXL Programs offer a variety of engaging activities designed to support your child's development and provide them with opportunities for growth. From homework assistance to creative arts and STEM projects, we tailor our programs to meet the diverse interests and needs of every child.

Become a... Griffin Guardian!

At McGarvey, community matters. Volunteer today!

This is an all-call for adults - dads, moms, grandparents, and other adults.
(must be 21 or older and have fingerprints cleared by EGUSD)

We'll have more than 300 new students next year. It's important that all our Griffins know they belong & our community pulls together to make sure they thrive. You can help children feel safe, supported, and seen.

Griffin Guardians are volunteers who show up with heart and purpose to ensure our school runs smoothly from the moment students get on the way to school until they head home.

Please consider volunteering. Here are just some of the roles we need filled:

- **Walking Train & Bike Train leaders -**

We need to get more kids arriving on foot and on wheels to ease the traffic around campus. *Would you be willing to walk/bike with a group of kids from your part of the neighborhood?*

- **Crossing Guards -** With more kids walking & biking, and undoubtedly many arriving by car, we need more help getting families across the crosswalk. *Would you be willing to help kids & families cross the street safely?*

- **Recess Helper -** Lots more kids means lots more play! Do you love playing with kids? Do you have a game you'd love to teach kids and supervise? Ever heard of Gaga Ball?? *Would you be willing to help supervise and engage kids in play during recess or lunch recess?*

- **Gate Greeter -** Greeting kids and families with a warm smile and keeping an eye on safety makes everyone feel secure. *Would you be willing to greet people at the gate in the morning or say goodbye in the afternoon?*

A lot of these roles are just a few minutes a day. You may already be at school or doing these things with your own kiddos already. What's a few more minutes or a few more kids?

Why volunteer?

- ☒ Make a direct impact on student safety.
- ☒ Build community and school spirit.
- ☒ Set a positive example for our future leaders.
- ☒ Let every Griffin know they matter!
- ☒ Earn smiles and hugs from kids!!

You don't need to volunteer every day (but you sure can!). **Scheduling is flexible to fit your availability.**

No experience necessary! We'll provide any training you need.

Your presence is powerful. Your time is appreciated.
