Planning Environmental Questionnaire

The following information is requested to expedite the environmental review process necessary to process your planning entitlement application. Please complete thoroughly and attach additional pages and reference materials as appropriate. Contact Planning if you have any questions; omissions and errors could delay your project.

As a result of the environmental review process required by the California Environmental Quality Act, additional information may be required to determine if significant adverse environmental impacts could result from the proposal.

Project Information

Property Address/Location: _____

Assessor's Parcel No's: _____

Is grading proposed with the project? If yes, for what purpose and approximately how many cubic yards?

Will the project include outdoor lighting? (Include type and location)

Estimate the approximate square footage of proposed impervious surfaces, including building area, concrete, paving and other hardscape features.

List the requested City permits and other agency approvals required for this project, including County, State and Federal agencies. Please be aware that omissions may delay environmental review.

Permit Name/ Type	Responsible Agency	Date Request Submitted
-------------------	--------------------	------------------------

Project History

Have any previous environmental studies or documents been prepared for the project site? If yes, please describe. Provide copies with Planning application submittal, if available.

Is this project related to any other Planning Application for the City of Chico?

Existing Conditions

Describe the existing and historic use of the site.

Provide a concise statement describing the current environmental setting of the project site.

Are there residents/tenants who will need to be relocated as a result of the proposed project?

Site Features

Is the project located near any of the following: schools, churches, daycare facilities, health care facilities, streams, parks, nature preserves, or undeveloped natural land? Please describe:

Does the site contain trees over 6" in diameter or native vegetation? Would the project remove these features?

Are any endangered, threatened, rare or sensitive species suspected of existing on site? Describe:

Have any known historical, archaeological, or paleontological resources been identified on site?

Water Features

Will a new storm drainage outfall, or improvements to the existing storm drainage outfall be necessary?

Toxins and Hazardous Substances

Is there a history of contaminated soil or groundwater associated with the site?

Are any underground storage tanks or other subsurface structures located on site (not including utilities)?

Will the project involve the use or disposal of potentially hazardous materials including flammable, explosive, or toxic substances?

Other Pertinent Information

Please describe any other characteristics or effects of the project that may be of environmental consequence.

I hereby certify that the information provided above is true and correct to the best of my knowledge and belief.

Applicant's Signature: _____ Date: _____

Note: By signing and submitting this application form, the Applicant is indicating that the project site is not included on any state or local list of hazardous waste sites compiled pursuant to California Government Code Section 65962.5, except as noted under Toxins and Hazardous Substances section of this form.
