Are you ready to commit to your student becoming a Bruin next year?

NJUHSD is a high school district and we do not receive any information, automatically, from middle/intermediate schools. Parents/guardians **MUST** complete this step online.

Students that do not pre-enroll online may not have as many opportunities to choose classes.
The sooner you can pre-enroll, the better chances for your student's class choices.

Go to Bear River's website: [Bear River High School](http://BearRiverHighSchool.org) - click 'Enroll Today!' or go to <https://nevadajuhsd.aeries.net/enrollment/> to pre-enroll your student now!

Welcome to Aeries Online Enrollment

Nevada Joint Union High School District

Thank you for choosing Nevada Joint Union High School District.

Aeries Online Enrollment is a self-guided process and is required for enrolling new students. Information about the student such as emergency contacts, medical and language information will be collected. Any information provided by the parent or guardian **should match legal documentation**.

Once all information is complete, you will be given the opportunity to review and submit your registration. When submitted, the student's information is electronically sent to the school. We ask that you please give the school a few **weeks** to process the forms. Should you have any questions in the meantime, please contact your student's school.

To get started registering a new student click the register a new student button.
If you would like to reprint or review students previously registered click the Login button.
