students to
reach their
highest level of
learning and
personal
development.

Dear Sierra Unified Families,

What an incredible week it has been across our district! It was wonderful to once again see our students competing against larger Valley schools and making an excellent showing. Their dedication, teamwork, and pride in representing Sierra Unified are something we can all celebrate. A special thank you to our FFA staff and teachers for all they do to support our students all year long.

Tonight brings even more excitement as we look forward to our Homecoming parade and football game! This is one of the most spirited events of the year, and we're eager to see the community come together in support of our students. As a reminder, elementary students attending the game must be accompanied by a parent or guardian to ensure a safe and enjoyable evening for everyone.

October is also "Stomp Out Bullying" Month, and our elementary students are participating in meaningful presentations from our school counselor, Stephanie Martin, on kindness, respect, and how to stand up against bullying. We are grateful for her efforts in building a positive school culture for all students.

As the leaves change and the cooler weather sets in, fall is definitely upon us. This time of year often brings a shift in routines, and sometimes students begin to forget those good study habits and school expectations that support their success. Please take a moment to remind your students at home about the importance of staying focused, following school rules, and continuing to give their best effort each day—just as we are reinforcing at school.

Thank you for your continued partnership and support. I look forward to seeing many of you tonight as we celebrate our students and our community!

Measure U Updates

Scope of phase two continues to be defined and alternates refined in the scope of the project

Darden provided renderings, and samples to the District for interior finishes. Present at the meeting was Sierra High Administration, staff, and faculty.

With appreciation,

Dr. Lori Grace
Superintendent
Sierra Unified School District
