# **BOARD POLICY (BP 5131.8)**

## **Student Use of Cell Phones and Personal Electronic Devices (Grades TK–12)**

### **Policy Statement**

The Governing Board recognizes that personal electronic devices can support communication and safety, but may also disrupt learning, student engagement, mental health, and overall school climate when misused or excessively used during the school day.

In accordance with California law, the Board directs that student use of smartphones and personal electronic devices shall be limited during the school day in order to promote academic focus, student engagement, safety, and a distraction-free learning environment.

The Board establishes a “bell-to-bell” expectation that personal electronic devices remain off and away during the instructional day for students in grades TK–8, with more limited use permitted at the high school level as defined in administrative regulation.

For elementary students (TK–6), the Board strongly discourages bringing personal electronic devices to school. Personal electronic devices are brought to school at the student’s own risk.

The Superintendent or designee shall develop administrative regulations to ensure consistent implementation, including expectations for use, prohibited conduct, staff authority, consequences for misuse, and procedures for handling devices.

### **Applicability**

This policy applies while students are:

- On school grounds
- During school hours
- At school-sponsored activities
- Under the supervision and control of district staff

### **Authority of School Staff**

School staff may regulate student possession and use of personal electronic devices and may require a student to relinquish a device when used in violation of district policy or school rules.

### **Exceptions**

Students shall not be prohibited from using a device when:

- Required for an emergency
- Authorized by staff for instructional purposes
- Required for a documented medical condition
- Required by an Individualized Education Program (IEP) or Section 504 Plan

## **Liability**

Personal electronic devices are brought to school at the student's own risk. The district and school sites assume no responsibility for loss, theft, or damage except in cases of gross negligence.

# **ADMINISTRATIVE REGULATION (AR 5131.8)**

## **Student Use of Cell Phones and Personal Electronic Devices (Grades TK–12)**

- Smartphones and cell phones
- Smartwatches with communication capability
- Earbuds and headphones

### **3. Applicability**

This regulation applies:

4. Parent/student/device-use agreements
5. Documentation in Aeries or other district systems

All responses shall be:

- The device may be held by staff or transferred to a secure and locked location
- Access shall be limited to authorized personnel
- Site administrators may establish procedures for:
  - Storage
  - Documentation
  - Logging devices in and out
  - Return of devices

Placing a confiscated device on top of or inside an unlocked desk or cabinet is not considered a properly secured location.

The district is not responsible for loss, theft, or damage except in cases of gross negligence.

## **11. Search of Devices**

Personal electronic devices shall not be searched except in accordance with law and district policy.

## **12. Privacy and Safety**
