Index

Cost is comprised of the total amount you paid for the investment (including any fees and commissions) plus any reinvested dividends.

Rate is the average monthly yield for pool investments or the rate on the last business day of the month for SDA investments or the yield to maturity or yield to worst for fixed term investments.

Face/Par/Shares is the amount received at maturity for fixed rate investments or the balance at statement date for pool investments.

Market Value reflects the market value as reported by an independent third-party pricing service. Certificates of Deposit and other assets for which market pricing is not readily available from a third-party pricing service are listed at "Cost" for fixed term investments or the balance at statement date for pool investments.
