

September 2025

TALEFEATHERS

Brian Arcuri, Principal

Hello Families-

We are off to a great start to the year with the launch of Spark the Arts! We started our first after-school programming of the year, and many classrooms are already starting their first integrated arts units. These units were built using state content standards, board-adopted curriculum, foundational artistic literacy strands, and engaging artistic processes!

We are doing great with attendance to start the year! Please keep sending students to school on time so they can work with us and all of the fabulous staff at AC! We have lots of data that shows that students who are in attendance have higher gains and are better prepared for school success in the future. As a family this is the best way to make sure that your child has a successful school year and school career! Remember our motto, ATTENDANCE MATTERS! This year we are hoping to reach our goal of 96% as a school! Please have your child in school unless they have a verified temperature or illness. School calendars and district calendars can be found on our webpage and on the RUSD web page for planning purposes. We are here to help so let us know if you need any support!

Have a great September at Antelope Creek!

Brian Arcuri-Principal

*We are thrilled to kick off the very first official year of **"Spark the Arts"** as RUSD's art school of choice! This year begins with exciting new additions, including our interactive mural, updated signage, and the launch of our after-school musical theater program. Throughout the year, students and families can look forward to even more creative opportunities—both during the school day and after school—such as assemblies, performances, and special events. Be sure to check ParentSquare for announcements and sign-ups, and get ready for a fun, art-filled year ahead!*
